LOCAL & MUNICIPAL L.I.I.
 CURRENT NO. 400072

To His Excellency
 The Right Honourable
 The Governor of British Columbia

Vancouver

May it please your Excellency

That the undersigned, citizens of British Columbia beg to bring to your Excellency's kind notice and favorable consideration the following:-

That upon your Excellency's late visit to this District we were unable to approach you. The majority of the people of this District being poor are very much in want of food and the famine has commenced.

The price of bread and other grains are sold very high the poor people are totally unable to pay.

There is no rain whatever for the last months and crops of grain.

The water in the barrens river which your Excellency ^{visited} has come from ~~some~~ ^{the} mountains where it rained.

The crops are laid in the dirt and 1/2 a mile from them and beyond that no water can be got and the people are put to great inconvenience. Those residing beyond

'Victoria' town are also suffering for want of water.

That after the New Settlement the people have to pay very heavy rates which is a great hardship to them as the famine is starving them and there is no children.

The Municipality do not appear to look to the comfort of the rich and taxpayers. If the authorities in power had taken your Excellency on the tour of the North Indian Railway the state of the road will be known to your Excellency.

The roads through which your Excellency passed by during the short visit are only kept in good order and all others are neglected.

Yours

Printed Secretary

those in authority did not bring to the notice of your Excellency the state of the famine stricken people and the prices at which the grain is sold.

The several Dorasthanams in this District are not managed properly. The annual Feast sea are not carried out for want of money which the Collector refuse to give on account of the Committee men as there is no unity among them.

We beg your Excellency will be graciously pleased to appoint a Government Officer to draw the Dorasthanam monies yearly or half yearly from the Collector and manage the affairs.

In conclusion we graciously beg of your Excellency to be pleased to cause Wells to be sunk in places where water cannot be got which will be a boon to the poor and at the same time find work for the famine stricken people.

Where necessary Tanks may also be opened. The Municipality should be asked to keep the roads in good condition. The price of Paddy & other grains may be sold at a reasonable rate.

The affairs of the Dorasthanam may be placed in the hands of a Government official.

With every mark of respect and humble submission

We beg to remain

Yours Excellency's most

Obedient humble Servants.
