Local & Municipal Department, G.O. No. 1583 M.S., dated 9th September 1898.

Note by the ^{as} Chief Engineer for Irrigation No. 257 I dated 8th October 1898.

With reference to para 2 of the above order the undersigned has the honour to report that the Superintending Engineer, II Circle, submitted estimates for a canal and boat basin amounting to Rs. 873,833 for the canal and Rs. 873,867 for a boat basin. The latter was in Proceedings of the Madras Government No. 110 Marine dated 11th February 1898 referred for the remarks and recommendations of the Madras Harbour Trust Board. The canal estimate was recast in this office and as revised amounted to Rs. 711,200. The Buckingham canal having since been transferred from the II to the V Circle, this estimate with connected papers was sent to the Superintending Engineer of the latter Circle for further revision. The Superintending Engineer, Col. Smart R.E., reports in his letter, No. 365 E.I., dated 4th October 1898, that he hopes to have the scheme for Cooum purification now in hand in his office submitted by the end of the current month.
