ORDER. No 1868 Mun. 2/11/98

Recorded with the following remarks:—

(1) The necessary corrections have been made with reference to the Chairman's explanations on clauses (2), (5), (6), (8), (12), (13), (22) and (25) of the Government Memorandum under reply.

(2) In column 14 of Appendix A to Statements IV-A and IV-B submitted with the administration report, the number of cases in which the tax on arts was collected after issue of warrant but before distraint, was given as 263, whereas it is now stated by the Chairman to have been 237. The discrepancy should be explained.

(3) In column 5 of Statement II-A Part II, the mileage of roads ordinarily maintained by the Council, and not only of those on which expenditure was actually incurred during the year, should have been given.

(4) In the Memorandum of investments, the hospital endowment fund of Rs 6,220-12-0, which appears to have been invested in Government Securities and in the Postal Savings Bank, has not been shown. The omission should be explained.

(5) In the Statement showing the revenue derived from the water and drainage tax and the details of the expenditure incurred therefrom, the unexpended balance of the Provincial grants and loans on account of the water-supply scheme on the 1st April 1897, the expenditure incurred on this work during the year, and the payments towards the principal and interest on account of the loan of Rs 5,000 taken for the construction of the

---

municipal market should not have been shown; while the cost of repairs to drainage works and of the establishment for flushing drains, etc, should have been entered, as it is a legitimate charge on the water and drainage tax, which is now levied in the municipality, and a separate drainage tax is not contemplated by the act.

MUNICIPAL COUNCILLORS' OFFICE,

From

The CHAIRMAN,
Municipal Council,
Kurnool.

To

The Secretary to Government
Local and Municipal Department
Fort Saint George

LOCAL & MUNICIPAL DEPT.
CURRENT No. 2849 M

Sir,

With reference to the memorandum Local and Municipal Department No 926 dated the 15th August 1898 on the Kurnool Municipal Report I have the honor to submit the explanations called for in para 2.

Para 1. clause (2).

In Statement IV-A, under the head of Tax on lands in column 5 a sum of Rs 487-1-5 was entered by mistake instead of Rs 487-0-1, which was the amount actually collected. This sum of Rs 487-0-1, together with the arrears viz. Rs 27-8-2, makes up a total of Rs 514-8-3, the figure given in column 2 of Statement I. The balance under column 8 under this head will thus be Rs 136-15-7.

Para 1: clause (6).

The figure 6,621 given in column 2 of statement I-A is a clerical mistake for

Councillors
31st August 98
2d September 98

for 6,221, which was given in round figures for Rs 6,220-12-0

Rs 91-15-5 given in column 15 of this statement is a mistake for Rs 73-12-5, which was the actual expenditure under this head. A sum of Rs 18-3-0 relating to expenditure under 'latrines' was wrongly included under this head. The figures given in column 4 of statement II-A are correct.

Para 1: Clause (8)

The actual expenditure amounted to Rs 75-12-0 as shown in statement II. In statement II B the amount of Rs 4, which was paid as famine batta, was by oversight not entered. A sum of annas 4 was deducted on account of fines and stoppages.

Para 1: clause (12)

The mistake here was also due to omission to enter the famine batta paid to the establishments under these heads.

Under grant 1, 2 c, the actual 'Drainage establishment' charges amounted to Rs 504-13-3 as detailed hereunder:—

Ordinary Establishment charges as already given	Rs 492-0-0
Famine batta	16-0-0
	508-0-0
Deductions on account of fines and stoppages	Rs 3-2-9
Balance	504-13-3

As regards grant 4, 2 (11) 'Slaughter-house establishment' the actual charges amounted to Rs 207-7-9 as shewn below:—

ordinary charges as already given in Statement II B	204-0-0
Famine batta	4-0-0
	208-0-0
Deductions on account of fines and stoppages	0-8-3
	207-7-9

Para 1: clause (13)

Under column 14 of Appendix A to statements IV-A and IV-B, the numbers of warrants collected before distraint were respectively given as 237 and 29, instead of 236 and 28, the cancelled warrants (one in each case) having been by mistake also included under this head. The figures in column 14 should therefore, it is submitted, be corrected from '237' and '29' into '236' and '28' respectively.

Para 1 clause (22)

The sum of Rs 54-11-4 which is the sum due from Provincial Funds should

should have been included as assets in the note to Statement II. This was omitted by mistake.

Para 1: clause (25)

Owing to a mistake in the preparation of the Statements in the District Medical and Sanitary Office the total number of vaccine operations performed during the year and the number of successful operations were not correctly given. The total number of operations performed was 1,391 and the number of successful cases was 1,114. A correct Statement No. XIII is herewith submitted.

Para 1 clause (5). In the note to Statement I, item 9, the extent of lands assessed was 1,125 acres and 23 cents.

Para 1: clause (11)

The figures given in Column 5 of Statement II-A part II, under the head of Mileage under maintenance, represent the mileage of "metalled" roads under maintenance, no unmetalled roads having been maintained during the year.

16-0-0
508-0-0

Para 1 clause (20)

The memorandum of investments and the statements referred to are herewith submitted.

Para 1 clause (17)

A correct statement No. IX is submitted as directed.

2. As regards the statement referred to in para 1 clause (15), I have the honor to submit that the matter has been referred to the Officers of the Educational Department and that as there is likely to be some delay in receiving the information the statement will be submitted as soon as the information is obtained.

Since received Cnd 2878 inf below

3. I may be permitted to add that I am sorry for the number of errors that have crept into the body of the report and the statements submitted with it and that this was due, as I have already submitted in the report, to the circumstance that the statements had to be prepared by new clerks, in consequence
