The Secretary to the Government
Local and Municipal Department
Fort Saint George.

Sir,

With reference to Memorandum
No. 1152 dated the 12th instant, I have the
honor to state that the stipends and
scholarships were shown as in previous
years under Grant II & Miscellaneous
b. other items. The head now pointed
out will be adopted in future.

2. The building in which the municip-
al school is held, is a part of the
Chuttrum, and the cost of whitewashing
the portion occupied by the school was
not kept separate. It will be kept
separate hereafter.

3. The columns 1 to 3 of the state-
ment XIII contain the following entries in
the office copy.

1. 610.

2. 476

3. 17.

The omission in the statement is due to
carelessness

Carelessness on the part of the copyist.

4. In the draft report para 36, the concluding clause is as follows:-

"In 1897-98 there were 19 births more and 7 deaths less than in 1896-97."

The copyist apparently drafted the word "more" in fair copying.

5. I regret the mistakes.

I have the honor to be,

Sir,

Your most obedient Servant,

Chairman M.C.

Points noticed in the Ootacamund Municipal Report for 1897-98.

CN^o 2630M

Memorandum.

Dated the 12th Oct 1898.

No. 1152

The following points are noticed in the Chairman's report and the accompanying statements:-

(2) In statement II-A Part II, the cost of whitewashing the municipal school and the chattram should have been given separately and not lumped together.

(3) ~~The grants from Government amounting to Rs. 72-8-0 shown under 5-a-i "other purposes" in statement I should not have been included in statement V-A, which should give only the statistics of municipal schools.~~

(3) ~~Column 12 of the same statement (V-A), a sum of Rs. 1,025 is shown under "other receipts", but there is corresponding entry in statement I.~~

(3) ~~Columns 1 to 3 of statement XIII have not been filled in.~~

(3) ~~In para. 36 of the Chairman's report, the number of births registered during 1897-98, is stated to be nineteen less than in 1896-97 instead of nineteen more.~~

The necessary corrections have now been made with the reference to clause (1) and (2) above.

(3) and (4) above. The discrepancy pointed out in clause (3) should be explained as soon as possible.

In Column 2 of Statement II, the sum of Rs. 25, which in statement I-A is shown as stipends and scholarships on account of the Breeke's Memorial High School should have been debited to Grant 2-2-1-b contingencies instead of to 7-d-other items.
