Chemical Examiner, North West Provinces and Oudh,
has charged at the rate of Rs 16 per

city. He may therefore be asked to point
out to the Chemical Examiner that as the
23 samples of water were sent by him
on behalf of the Municipal Council of
Botacamund, the charge for the analysis
should be made only at the rate of
Rs 10 prescribed for analysis undertaken
for public bodies and the Municipal
Council of Botacamund may be discon-
tinued to pay the charge which at the rate
of Rs 10 per analysis comes to Rs 230.
In this connection please see the notes and
orders in G.O. No. 1585 M. of 9th September 1898.
