The Collector of Nilgiris

Sir,
In reply to your letter n^o
770 dated 19th September 1898, I have
the honour to submit for your in-
formation the estimate of Plague
expenditure, amounting to Rs 4304,
(with explanatory remarks) that
will be necessary in the event of
any case of plague coming
to this Municipality. The amount,
as you will observe, is a large
one and quite impossible for
us to provide out of our Muni-
cipal funds. Rupees 240 is already
provided in the budget for 1898-99
and Rupees 500 was sanctioned
at the meeting held on the 12th
ultimo. To this amount of Rupees
740

* out of general
savings

740, we shall be able to add
a further sum of Rupees 500 making
in all Rupees 1240 provided
for "Plague expenditure", leaving
a balance of Rupees 3064 un-
provided, and which we
cannot meet out of our
funds. I therefore request that
under para 1 of G. O. No 514 P
dated 25th May 1898, arrangements
may be made for an advance
from Provincial funds of Rs 3064,
to be drawn on as required.
I would also feel obliged
by your informing me whether
this advance has to be
refunded in a lump sum,
or would the Government be
willing to allow it to be refunded
in small amounts, say
of Rupees 500 each. The budget
expenditure has been made
as low as possible and
there

there are no heads that can be
cut down. It will be observed
that certain figures are in red
ink; these are amounts that
it is not necessary to draw on
until a case of plague actually
comes to Coimbatore for the following
reasons:—
1. Hospital Assistant can be
procured by telegraphing to the
Surgeon General with the Government
of Madras.
2. Batalikichumrat toties can
always be procured at short
notice.
3. Medicine and Instruments
can be supplied from the hospitals
in cases of emergency, and
fresh supplies indented for.
As to the estimate for the
Segregation Camp, reaches the
sum of Rupees 1818/- and a half
Rs 500/- has been sanctioned
by the Council. I shall be
glad to have instruction
as to how to proceed when
this amount is expended.

The estimate for the Camp has been drawn up, with regard to measurements, in compliance with instructions laid down in "The Madras Plague Regulations & Rules revised up to 2nd July 1898" and the rates are in accordance with those in the schedule forwarded by the District Board Engineer.

I have the honour to be,
Sir,
Your most obedient servant.

Chairman Delegate.

DEPARTMENT,

ENCLOSURES.

SIR,

In forwarding a copy of a letter dated 1st instant No. 508 from the Chairman Delegate of Coonoor, I have the honour to request that Government will be pleased at once to place at the disposal of the Coonoor Municipal Council the sum of Rupees 2000 which help is absolutely necessary to enable the Council to put itself in a fair state of preparedness to meet the chance of an outbreak of Plague. Without this assistance the Plague Camp to be constructed near the town cannot be completed but with it I trust that the Council

May

may be able to get through this year. As to the mode of recovery, I would suggest that orders be deferred until the close of the year when the financial position can be examined. If Plague actually breaks out in the town, a further application for aid will have to be made to Government.

I have the honour to be,
Sir,

Your most obedient servant
