Budget.

Reviewing the Salem District Board — for 1898-99.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From C. H. MOUNSEY, Esq., President, District Board, Salem, to the Secretary to Government, Local and Municipal Department, dated 9th December 1897, No. 293-Govt.

I have the honour to submit the revised estimate of receipts and charges of the local boards of the Salem district for the official year 1897–98 and the consolidated budget estimate for 1898–99, together with the prescribed statements and a map of the district corrected up to date.

REVISED ESTIMATE FOR 1897–98.

Receipts.

2. The year opened with a balance of Rs. 66,899, as detailed by the Accountant-General, against Rs. 56,780 anticipated in the original budget. The increase in the balance is due chiefly to an opening balance in excess of the estimate for 1896–97 owing to short expenditure in that year. The receipts as now estimated amount to Rs. 3,93,621 against Rs. 3,65,290 expected in the original budget, the increase being due chiefly to enhanced receipts expected under tolls, house-tax and avenues and to the inclusion of the actual debt head receipts for the first six months which were excluded in the original budget. The chief variations are explained below, while the others are accounted for in the remarks column of Statement No. IX.

3. *Cess on Land.*—The income under this head is estimated at Rs. 1,89,303 against Rs. 1,88,000 shown in the budget. The increase is due to the favourable character of the season.

4. *Tolls.*—The increase of Rs. 4,930 is due to competition for some of the local fund toll-gates at the sales of the current year.

5. *House-tax.*—The increase of Rs. 4,013 is due to levying the tax at three-fourths of the rates in some of the unions instead of one-half under sanction conveyed in G.Os., Mis. No. 603 L., dated 26th March 1897, and Mis. No. 899 L., dated 12th May 1897.

6. *Avenues.*—Rs. 33,939 are now estimated under this head against Rs. 30,230 in the original budget. The increase is due to competition at the sales for the current year on account of good supply of produce expected.

Expenditure.

7. The total expenditure of the year is now estimated at Rs. 4,07,451 against the budget estimate of Rs. 3,70,680. The increase appears under all grants except Grant 3 and the variations are explained in the remarks column of Statement No. IX. The balance to be carried forward to the ensuing year's budget amounts to Rupees 53,070 in round figure, of which Rs. 8,559 appertain to unions and Rs. 14,736 to endowment funds.

8. The following establishments have been entertained or revised temporarily in the current year, and the necessary proposition statements are herewith submitted for sanction as required in paragraph 1 (1) of G.O., No. 889 L., dated 17th May 1894 :—

District Board.—Nil.

Salem Taluk Board.—(1) Abolition of the Othiathur primary school on account of its poor strength.

(2) Transfer of the Pension Lines Hindustani school to the Salem Municipality owing to the extension of its limits in the current year.

(3) Revision of the scale of the Oduvankurchi primary school with effect from October 1897.

(4) Entertainment of a watcher on Rs. 4 for the Nangavalli tank.

(5) Transfer of the schools from Veerapandi and Kurichi to Olaipatti Sowdapuram and Alagapuram, respectively, and that of Alagapuram back to Veerapaudi.

Námakkal Taluk Board.—(1) Reduction of the Shendamangalam lower secondary school on the salary-result system to primary grade, and the consequent revision of the establishment with effect from 1st January 1898 on account of the increased cost remarked upon in paragraph 4 (2) of G.O., No. 1780 L., dated 16th September 1897.

(2) Revision of the primary school at Námakkal on the salary system.

(3) Revision of the scale of the Komarapoliam primary school on the salary-result system.

(4) Entertainment of a watcher on Rs. 3 for the Tiruchengódu tank as a temporary measure from July to September 1897.

(5) Entertainment of an additional watcher on Rs. 4 for the Kamalalayam feeder channel.

(6) Transfer of the school at Manali to Valagoundanpatti on account of poor attendance.

Hosúr Taluk Board.—(1) Increasing the pay of the Denkanikota lower secondary school gymnastic instructor from Rs. 5 to 6.

(2) Abolition of the (1) Madivalum, (2) Muthali, (3) Kandukota, (4) Pannandar, (5) Shulagiri (Hindustani) and (6) Bágalúr (Hindustani) schools.

(3) Increasing the pay of the three teachers of the Denkanikota Hindustani school by one rupee each.

(4) Revising the scales of (1) Krishnagiri, (2) Mathagiri, (3) Bágalúr and (4) Shulagiri schools.

(5) Revision of the scale of the Mathur and Shulagiri bungalow establishment.

Tiruppattúr Taluk Board.—(1) Transfer of the Pudupet and Athigarapatti primary schools to Mullukombai and Pallipatti, respectively, on account of poor attendance.

(2) Revision of the scale of Natrampalli school.

BUDGET ESTIMATE FOR 1898–99.

Receipts.

9. The receipts, excluding the opening balance, are estimated at Rs. 3,74,530 against Rs. 3,93,621, the revised estimate of 1897–98, and Rs. 3,94,811, the actuals of 1896–97. The difference between the budget estimate of 1898–99 and the revised estimate of 1897–98 is due chiefly to decreases in the estimate from tolls and miscellaneous debt heads being partly counterbalanced by increases under land-cess and house-tax. The difference between the present budget estimate and the actuals of 1896–97 is further mainly due to the increased income under tolls in the earlier year, and also to large receipts under miscellaneous debt heads which are now excluded being partly made good by increases under house-tax and avenues.

10. *I, Rates and Taxes—(a) Cess on Land.*—According to the demand, collection and balance statement appended to Statement No. IX, a balance of Rs. 5,855 will be left uncollected at the end of the current year. Taking the current demand at Rupees 1,91,500 against Rs. 1,91,565, the demand in the revised estimate, the total amount to be realized in 1898–99 will be Rs. 1,97,355, of which Rs. 1,91,600 or 97 per cent. will, it is anticipated, be collected within the year. The increase as compared with the actuals of 1896–97 is trifling.

11. *(b) Tolls.*—The income from tolls is estimated at Rs. 44,000 against Rupees 43,800 in the current year's budget. Of this sum, only Rs. 40,000 are expected from the toll-gates of the district board as estimated in the current year's budget, notwithstanding the eight new gates sanctioned in G.O., Mis. No. 2202 L., dated 13th November 1897, for the next year as the rates of levying tolls in all of them, including the existing fifteen gates, are to be reduced from maximum to three-fourths, and also the new toll-gates may not fetch their full value the first year they are tried.

12. (*c*) *House-tax.*—Rs. 35,110 are entered as income under this head against Rs. 29,550, the budget estimate for the current year. The increase is due to the rates at which this tax is to be levied in some of the unions having been raised from one-half to three-fourths of the maximum rates with the sanction of Government conveyed in G.Os., Mis. No. 603 L., dated 26th March 1897, and Mis. No. 899 L., dated 12th May 1897, and to the constitution of a new union at Namagiripet sanctioned in G.O., No. 2102 L., dated 1st November 1897.

13. *II, Education.*—The receipts under this head are estimated at Rs. 21,810 against Rs. 21,700, the budget estimate for the current year, and they comprise school-fees amounting to Rs. 20,740 ; sale of books, Rs. 1,000 ; money assessment from the lands attached to the Palakodu school, Rs. 40 ; and miscellaneous, Rs. 30—being the income from leasing out the compound of the Hosúr board school. The decrease of Rs. 340 under school-fees is due to the abolition of some of the ill-attended primary schools and to the reduction of the lower secondary school at Shendamangalam to primary grade. The increase of Rs. 500 under sale-proceeds of books is due to the increased income expected with reference to the actuals of 1896–97.

14. *III, Medical, &c.*—The income under this head is due to the realization from the sale of medicines from the district board reserve stock, Rs. 400, and from the Yercaud hospital, Rs. 500. Rs. 200 are taken credit for under "Contribution from municipalities", as the Salem Municipality has agreed to bear the charge for house-rent of the children and women's dispensary at Salem and the Tiruppattúr Municipality has undertaken to bear one-fourth of the cost of maintaining a similar dispensary at Tiruppattúr, excluding the pay and allowances of the female apothecary. Rs. 1,700 are expected to be realized under "Contributions from private individuals", on account of maintaining sanitary establishments, the increase being chiefly due to the enhanced subscription promised by the Superintendent of the Remount Depôt at Mathigiri. The sum of Rs. 60 shown against "Endowments" represents the assessment from the lands attached to the Rayacottah dispensary. The estimated receipts under "Miscellaneous" are fixed at Rs. 40 with reference to the revised estimate of the current year.

15. *IV, Interest.*—The sum of Rs. 2,070 expected from Government securities represents the interest due on (1) the sum of Rs. 5,500 invested on behalf of the local fund hospital at Hosúr, (2) on the Price Vaccination fund of Rs. 10,700, and (3) on the surplus pagoda fund of Rs. 43,000. Rs. 100, shown as interest on arrears of land-cess, are fixed with reference to the actuals of 1896–97.

16. *V, Miscellaneous.*—The receipts under this head are estimated at Rs. 65,300 against Rs. 64,290 in the current year's budget. The principal variations are explained below :—

(*b*) *Choultry Rents.*—The receipts under this head are fixed with reference to the revised estimate of the current year.

(*c*) *Market Rents.*—The income under this head is fixed with reference to the revised estimate of the current year.

(*h*) *Fishery Rents.*—This is also fixed with reference to the revised estimate.

(*j*) *Avenues.*—The receipts under this head are estimated at Rs. 32,750 against Rs. 30,230, the budget estimate for the current year. The increase is due to the present estimate being fixed with reference to the results of the avenue tamarind sales held in the current year.

17. *VI, Public Works.*—The income from this source is estimated at Rs. 1,200 against Rs. 1,230 in the current year's budget.

18. *VII, Contribution from Provincial Funds*—(*a*) *Education.*—The income under this head is fixed at Rs. 8,670 against Rs. 8,500, the budget estimate for the current year. The increase is due chiefly to increased earnings expected by the Salem Taluk Board.

(*d*) *Choultries.*—The usual allowance of Rs. 1,750 from the Thoppur Chattram fund for maintaining the chattrams at Thoppur, Súramangalam, Jalarpet, Morappúr and Tiruppattúr for Muhammadans and Pariahs is repeated.

19. *VIII, Contributions from Special Funds.*—This is the amount anticipated from special funds, being one-fourth of the travelling allowance of the local audit clerk due to local funds under G.O., No. 494 L., dated 6th March 1893.

20. *IX, Allotments from the District Fund.*—To cover the short receipts of the taluk boards, a sum of Rs. 46,760 is transferred to them as shown below :—

	Rs.
Salem Taluk Board	18,505
Námakkal Taluk Board	2,350
Hosúr do.	9,675
Tiruppattúr do.	16,230
Total ..	46,760

Expenditure.

21. The total expenditure under the several grants is estimated at Rs. 3,87,260 against the current year's revised estimate of Rs. 4,07,451 and the actuals of 1896–97 (Rs. 4,27,965), the decrease, as compared with the revised estimate and the actuals, being due chiefly to reduced provision made under Grant 1, and also to miscellaneous debt heads now excluded.

22. *Grant 1, Public Works*—(*a*) *New Works*—(i) *Communications.*—The provision of Rs. 2,440 under this head comprises the following items :—

		Rs.

The endowment balance under markets will be utilized as estimates are sanctioned and approved by the Sanitary Board. No sanitary works have been proposed for want of funds.

23. (*b*) *Repairs*—(i) *Communications.*—Rs. 1,40,010 are provided under this head against the allotment of Rs. 1,31,720 for the current year. It is proposed to reduce the grants for some roads on which traffic is not heavy and to increase those for some others where they have been found inadequate. The particulars of these roads are noted in the last column of Statement No. III-B. Rs. 7,420 are intended to be utilized from market funds for the maintenance of the following feeder roads :—

The total provision under communications including allotments under new works is Rs. 1,42,450, or Rs. 2,650 in excess of the minimum prescribed in G.O., No. 1686 L., dated 12th September 1895.

(ii) *Civil Buildings.*—Rs. 1,200 are provided under this head against Rs. 800 in the current year. The increased provision is made for executing repairs to some of the school buildings under the Námakkal Taluk Board which are in urgent need of repairs.

(iii) *Miscellaneous Public Improvements.*—Rs. 7,500 are assigned for the upkeep of avenues and Rs. 1,540 for repairs to market sheds against Rs. 6,100 and Rs. 2,200, respectively, in the current year. The increase under avenues is due to the enhanced provision made for filling up the gaps in the existing avenues on some of the roads.

24. (*c*) (iii) *Local Fund Engineering Establishment.*—Rs. 24,150 are allotted, as detailed below, against Rs. 23,350 provided in the current year's budget :—

	Rs.
Pay of the District Board Engineer at Rs. 600 per mensem ..	7,200
,, ,, Assistant Engineer proposed in place of the Supervisor, Tirúppattur Range, at Rs. 135 to Rs. 150 per mensem	1,620

Total ..	24,148
	or 24,150

With reference to the remarks of Government contained in G.O., Mis. No. 2132 L., dated 3rd November 1897, the district board has resolved to regrade the existing staff of local fund overseers and to bring them up to the standard recommended in paragraph 5 of G.O., No. 86 L., dated 16th January 1897, the net result being an increase of Rs. 420 in the annual cost of the establishment as detailed below :—

Present Scale.	Rs.	Proposed Scale.	Rs.
Two 1st-grade overseers on Rs. 70 each	140	One 1st-grade overseer on Rs. 100 ..	100
Three 2nd-grade overseers on Rs. 60 each	180	Two 2nd-grade overseers on Rs. 80 each	160
Five 3rd-grade overseers on Rs. 50 each	250	Four 3rd-grade overseers on Rs. 60 each	240
Total ..	570	Three sub-overseers on Rs. 35 each.	105
		Total ..	605

For reasons explained in this office letter, No. 246-Govt., dated 2nd October 1897, disposed of in G.O., Mis. No. 2132 L., dated 3rd November 1897, the district board is also in favour of having two Assistant Engineers on the prescribed grade in addition to the Engineer, but wishes to raise one of the supervisors to this grade at present and to defer the other until another vacancy occurs. M.R.Ry. Rama Row, who is now temporarily holding the Tiruppattúr Supervisorship, is recommended to be appointed as an Assistant Engineer on Rs. 150, but to start from Rs. 135 by annual increment of Rs. 5, as he is fully qualified for the place.

It is also proposed to add the temporary accountant on Rs. 15 sanctioned in the current year's budget to the permanent list as the board is satisfied with the increased work in the Engineer's office, and provision is accordingly made for it in the ensuing year's budget—pay, Rs. 13–8–0, and pensionary contribution, Rs. 1–8–0.

The Engineer's proposals to employ a record-keeper on Rs. 12 and to increase the pay of one of his lascars from Rs. 7 to Rs. 8 are not adopted as they are not necessary.

25. *IV, Tolls and Ferries.*—Rs. 200 are provided for meeting the charges of providing new tables of rates for all the toll-gates in the district.

26. *V, Bungalows.*—Rs. 760 are allotted under this head against Rs. 720 in the current year's budget. The post of the Shulagiri bungalow sweeper on As. 8 has been abolished in the current year and it is proposed to raise the pay of the Mathur bungalow sweeper from As. 8 to Re. 1. It is also proposed to employ a watcher on Rs. 4 to the Námakkal bungalow instead of a sweeper on Rs. 1–8–0. The district board has resolved to take up the management of these buildings from the next official year, as under the existing arrangement they are not satisfactorily maintained and no uniformity kept up in the matter of furnishing them and charging fees. The receipts and charges connected with these buildings are now exhibited under VI, Public Works, and Grant 1, respectively, as required by the Accountant-General in his circular, No. 8 (Local Fund Department), dated 6th November 1897.

27. (*d*) *Tools and Plant.*—Rs. 1,500 are provided under this head against Rs. 1,000 allotted for the current year. The increase is due to the current year's provision having been reduced in reference to the large number of tools purchased in 1896–97.

28. (*e*) *Contingencies.*—A sum of Rs. 8,150 is provided under this head against an allotment of Rs. 7,880 in the current year. The increase is due to the enhanced provision for (1) travelling allowance of overseers and clerks and servants, (2) conveyance of office records, and (3) law charges. The following are the details under this head :—

	Rs.
Travelling allowance to the Engineer	1,600
" " to Supervisor and Assistant Engineer	1,600
" " to Overseers (nine at Rs. 15 and one at Rs. 20).	1,860
" " to Clerks and servants	640
Total ..	5,700

Contingencies.

	Rs.
House-rent	240
Stationery	300
Postage	800
Printing	500
Binding	20
Telegrams	20
Advertisement charges	30
Conveyance of office records	120
Furniture	50
Law charges	100
Sundries	270
Total ..	2,450
Grand Total ..	8,150

The provision under "Sundries" includes the cost of purchasing the following books :—

(1) Fifteen copies of the revised "Local Fund Public Works Code and Account and Audit Rules."
(2) One office clock at a cost of Rs. 16.

29. The total allotment for the engineering establishment and contingencies amounts to Rs. 32,300 or 20·4 per cent. of the proposed outlay on works, including the lump provision for incomplete works (Rs. 1,58,200), against the maximum of 20 per cent. prescribed by Government.

30. The total provision under Grant 1 amounts to Rs. 1,93,100 and is 51·6 per cent. of the estimated receipts of the year.

31. *Grant 2, Education*—(*a*) *Inspection.*—Rs. 4,850 are provided under this head as in the current year. The proposal of the educational officers to grade the pay of the inspecting schoolmasters has not been adopted for want of funds.

32. (*c*) *Sessional Schools.*—A sum of Rs. 1,200 is provided, as in the current year, for maintaining a school throughout the year. The suggestion to increase the number of sessional schools contained in paragraph 4 (2) of G.O., No. 1780 L., dated 16th September 1897, has not been taken up for want of funds and to the high percentage of expenditure on education as it is. But every endeavour will be made to get a greater number of teachers of aided schools trained by compelling them to undergo training.

As usual, a provision of Rs. 190 is made for sending two Muhammadan students for training to Madras.

33. (*d*) *Secondary Schools*—(i) *Salary System.*—Rs. 13,160 are provided under this head against Rs. 13,240 in the current year. The decrease is the net result of the following changes :—

	Rs.
Excess provision under salaries of masters in the current year's budget now omitted	80
Savings effected in the provision for contingencies of the Námakkal High school	45
Abolishing the post of Hindustani munshi of the Krishnagiri school on Rs. 10	120
Total ..	245
Increasing the pay of the present headmaster of the Námakkal High school from Rs. 75 to Rs. 80 with effect from 1st October 1898 ..	30
Increasing the pay of the peon of the above school from Rs. 5 to Rs. 6	12
Pay of the Telugu munshi proposed to be employed in the Hosúr Lower Secondary school on Rs. 10 per mensem	120
Increment due to the fourth assistant of the Dharmapuri Lower Secondary school at As. 8.	6
Total ..	168
Net decrease ..	77 or 80

The proposals of the educational officers to raise the pay of the last assistant of the Rásipuram school from Rs. 6 to Rs. 7, to increase the pay of the gymnastic instructor of the Námakkal High school from Rs. 8 to Rs. 10, and to raise the pay of the fourth assistant of the Tiruchengódu school from Rs. 10 to Rs. 12 are reported by the respective taluk boards to have not been adopted as unnecessary. The Director's suggestion on the current year's budget, referred to in paragraph 4 (3) of G.O., No. 278 L., dated 11th February 1897, was referred to the educational officers to suggest means of employing a drawingmaster to the Námakkal High school without extra cost to the board. They appear to have suggested the substitution of a drawingmaster for the carpentrymaster, but the Taluk Board President reports that the proposal would involve additional cost and that the Director as also the people of the town are not in favour of it.

34. (ii) *Salary-result System.*—Rs. 1,700 are provided under this head against Rs. 2,840 in the current year. The proposal of the Námakkal Taluk Board to reduce the Shendamangalam school to the primary grade in reference to the remarks of Government contained in paragraph 4 (2) of G.O., No. 1780 L., dated 16th September 1897, and that of the Hosúr Taluk Board to increase the pay of the gymnastic instructor of the Denkanikóta school from Rs. 5 to Rs. 6 are accepted. The proposal of the Salem Taluk Board to raise the pay of the peon of the Atur Hindustani school from Rs. 4 to Rs. 5 has not been adopted as unnecessary.

35. (*e*) *Elementary Schools*—(i) *Salary System.*—Rs. 1,030 are provided under this head against Rs. 920 in the current year's budget. The increase is due to the proposal of employing a separate gymnastic instructor on Rs. 8 for the Námakkal boys' school and of increasing the pay of the peon of the same school from Rs. 3 to Rs. 4 as recommended by the educational officers.

36. (ii) *Salary-result System.*—The total provision under this head is Rs. 40,890 against Rs. 39,890 in the current year's budget. The difference is chiefly due to the following :—

Salem Taluk Board.—The proposals of the taluk board to abolish the Othyathur school with effect from the commencement of the current official year on account of its poor strength, to transfer the Pension Lines Hindustani school to the Salem Municipality owing to the extension of its limits, and to revise the scales of (1) Atur (Hindustani), (2) Oduvankurichi and (3) Ethapur schools at a total reduced cost of Rs. 20, are accepted.

Námakkal Taluk Board.—The proposals of the Námakkal Taluk Board to close the schools at (1) Pallipoliem and (2) Kattupoliem on account of their poor strength and to revise the scales of (1) Thathiengarpett, (2) Sankaridrug, (3) Komarapoliem, (4) Edappadi and (5) Shendamangalam (Hindustani) schools at a total increased cost of Rs. 220 to be met from the savings effected by reducing the Shendamangalam secondary school on the salary-result system to the primary grade are approved.

Hosúr Taluk Board.—The Hindu schools at (1) Madivalam, (2) Muthali, (3) Kundukota and (4) Pannandur, and the Hindustani schools at Shulagiri and Bagalur have been abolished in the current year as the average attendance was below twenty, and the Hindu school at Athimugam and the Hindustani schools at Thalli, Dowlatabad and Kottur will also be closed from the beginning of the next official year for the same reason. The savings thus effected are proposed to be partly utilized in revising the scales of (1) Mathigiri, (2) Bagalur, (3) Krishnagiri, (4) Shulagiri, (5) Hosúr and (6) Denkanikóta (Hindustani) schools as recommended by the educational officers.

Tiruppattúr Taluk Board.—The schools at Pudupet and Athigarapatti have been transferred from the beginning of the current official year to Mullukummai and Pallipatti, respectively, on account of their poor strengths. For the same reason the school at Nattam is proposed to be closed and to utilize the savings thus effected for opening a Panchama school at Jalarpet as recommended by the educational officers. The taluk board's further proposal to revise the scale of the Natrampalli school at an increased cost of Rs. 80, with effect from the current official year, is accepted.

37. (*f*) *Grant-in-aid.*—Rs. 7,300 are provided under this head against Rs. 7,310 in the current year.

38. (*h*) *Miscellaneous.*—The usual provision of Rs. 1,000 for the purchase of books has been repeated, as the current year's provision was specially reduced to Rs. 500 in reference to the large number purchased at the close of 1896–97.

39. The total estimate under Grant 2 is Rs. 71,470 and is 19 per cent. of the estimated receipts of the year.

40. *Grant 3, Medical Services, Vaccination and Sanitation*—(*a*) *Hospitals and Dispensaries*—(ii) *Medical Subordinates.*—Rs. 19,280 are provided under this head against Rs. 19,340 in the current year's budget. The increase is due to the following causes :—

	Rs.
(1) Enhanced provision for the first-class hospital assistant for the Shendamangalam dispensary instead of a second-class hospital assistant	+ 210
(2) Enhanced provision for the grade pay of the first-class civil apothecary at Krishnagiri for the whole year instead of only for a portion in the current year	+ 65
(3) Enhanced provision for the grade pay of the second-class hospital assistant at Pennagaram for the whole year instead of only for a portion in the current year	+ 26
(4) Carriage allowance of the Salem and Tiruppattúr female apothecaries hitherto erroneously provided under salaries of medical subordinates instead of under contingencies now omitted ..	— 360
Total ..	—61 or 60

The proposal of the Salem Taluk Board to convert the Rásipuram dispensary into a hospital and to open a fresh dispensary at Ethapur has not been adopted for want of funds.

(iii) *Clerks and Servants.*—Rs. 3,710 are provided against Rs. 3,580 in the current year. It is proposed to entertain a compounder on Rs. 9 in the Tiruchengódu hospital and to increase the pay of the warders attached to the Denkanikóta and Alangayam dispensaries by one rupee each.

The proposal of the District Medical and Sanitary Officer to entertain a female compounder on Rs. 9 in each of the children and women's dispensaries at Salem and Tiruppattúr has not been adopted for want of funds.

(v) *Medicines and Surgical Instruments.*—The slight increase of Rs. 100 is due to the current year's provision for the Rásipuram dispensary being found inadequate.

(xii) *House-rent to Hospital Assistants.*—The increase is due to the following causes :—

	Rs.
(1) Provision for the present hospital assistant at Shendamangalam who is entitled to the house-rent	36
(2) Enhanced provision for the present hospital assistant at Denkanikóta	15
(3) Enhanced provision for the present hospital assistant at Royacottah	15
(4) Enhanced provision for the present hospital assistant at Palakodu .	6
(5) Provision for the Salem female apothecary now vacant owing to the difficulty of procuring a hand for the place on account of the inadequate pay of Rs. 50+25 and the costly living at Salem ..	120
Total ..	192 or 200

Free quarters have been provided for the Yercaud hospital assistant and the others are given house-rent in lieu of free quarters. The question of constructing quarters for the other hospital assistants has not been taken up for want of funds.

(xiii) & (xiv) *Contingencies and Miscellaneous.*—The increase under this head is chiefly due to the carriage allowance of the female apothecaries being transferred to this head from medical subordinates as required by the audit office. This includes the cost of purchasing the following books and periodicals :—

District Board.

(1) One copy of "British Pharmacopœia" for the children and women's dispensary at Tiruppattúr.
(2) One copy of the "Lancet."
(3) One copy of the "Indian Medical Journal."
(4) One copy of quarterly "Braithwaite's Retrospect of Medicine."

Salem Taluk Board.

(1) Four copies of "Indian Pharmacopœia."
(2) Four copies of "Madras Nursing Manual."

41. (*b*) *Vaccination.*—Rs. 10,900 are provided under this head as usual.

42. (*c*) *Sanitation.*—Rs. 36,100 are provided under this head against Rs. 32,250 in the current year's budget. The increase under all items is due chiefly to enhanced provision made for the unions where increased income under house-tax is expected. The proposals of the Salem and Námakkal Taluk Boards—

(1) to entertain a watcher on Rs. 4 for the Nangavalli tank with effect from the current official year;

(2) to employ an additional watcher on Rs. 4 for the Atur river; and

(3) to entertain an additional watcher on Rs. 4 for the Kamalalayam tank feeder channel, are accepted. The rest of the changes proposed in the scales of sanitary establishments are not enumerated here as under G.O., No. 1892 L., dated 1st October 1897, the local boards can employ them without the sanction of Government and debit the charges to "Contingencies" as the whole time of the local fund sweepers and scavengers is not given to local fund service.

43. (*d*) *Contributions to*—(i) *Provincial Services.*—The estimate under sanitary inspection and reserve medical staff is fixed with reference to the actuals for 1896–97.

(iii) *Municipalities.*—As in the current year, Rs. 1,200 are provided for payment from the district fund to the Salem Municipality, Rs. 1,100 towards the cost of maintaining hospitals, and Rs. 100 for the lying-in ward. Rs. 1,000 provided under

taluk funds represent the usual contribution payable to the Tiruppattúr and Vániyambádi Municipalities by the taluk board towards the upkeep of the hospitals maintained by them.

44. The total provision under Grant 3 amounts to Rs. 88,380 and is 23·6 per cent. of the estimated receipts of the year.

45. *Grant 4, Public and Charitable Institutions*—(*a*) *Markets.*—Rs. 880 are provided under this head against Rs. 440 in the current year. The increase is due to the provision made by the Námakkal Taluk Board for employing watchers for eight more markets to clean them in the mornings and to plant shade-giving trees in them and to the enhanced provision made by the same board under contingencies of the Mohamur market, being the amount payable to the Forest department for the lease of the Government topes at that place used as market-site.

46. (*b*) *Choultries.*—The decrease under this head is due chiefly to the reduced provision made for contingencies of the choultries under the Námakkal Taluk Board in reference to the actuals of 1896–97.

47. (*d*) *Contributions to*—(ii) *Other District Boards.*—The usual provision of Rs. 30 is made for payment to the Coimbatore District Board towards the cost of lighting the Cauvery bridge at Komarapoliem.

(iii) *Municipalities.*—As usual, Rs. 200 are provided on account of the contribution payable to the Salem Municipality towards the cost of maintaining the poor house.

48. (*e*) *Miscellaneous*—(iii) *Lighting Charges.*—Rs. 2,060 are provided under this head as in the current year. The proposals of the Salem and Hosúr Taluk Boards to incur increased expenditure under this head are disallowed as unnecessary.

(iv) *Miscellaneous.*—Rs. 50 are provided on account of maintaining water-pandals during the hot weather at places to be determined by the Salem and Hosúr Taluk Boards.

49. The total provision under Grant 4 amounts to Rs. 4,740 and is 1·3 per cent. of the estimated receipts of the year.

50. *Grant 5, Supervision and Management*—(*a*) (i) *Controlling Establishment at the Presidency.*—Intimation from the Accountant-General as to the percentage at which the provision under this head is to be made not having been received, the current year's figure is repeated.

(ii) *Printing work done at the Government Press.*—Rs. 600 are provided under this head with reference to the actuals of 1896–97.

51. (*b*) *Establishment in the Collector's Office*—(i) *Audit.*—Rs. 2,220 are provided under this head against Rs. 1,980 in the current year's budget. The increase is due to the provision made for the additional audit clerk's pay for the whole year instead of only eleven months in the current year and to the enhanced provision made for travelling allowance owing to the current year's provision being found inadequate.

(ii) *Accounts.*—Rs. 80 are provided in excess of the current year's figure to entertain an attender on Rs. 7 per mensem. Till December 1895 the papers relating to the Local Fund Account Branch were indexed and despatched in the Provincial Account Branch and under Board's Proceedings, No. 361, dated 4th October 1895, the despatching work was separated from January 1896 and consequently separate registers are being maintained. Under the orders of the late Treasury Deputy Collector, the services of the attender attached to the Local Fund Audit Branch were being utilized to the end of 1896–97 for menial work such as ruling statements, preparing covers, &c., but from the current official year the attender of the audit branch is required to accompany the audit clerk on inspection duty for about 26 days in a month. His services cannot, therefore, be utilized by the account branch as hitherto, and hence the necessity for a separate attender.

The provision under contingencies includes the cost of purchasing the following books :—

(1) One copy of the revised edition of the Civil Service Regulations with correction slips.

(2) One copy of the Civil Account Code with correction slips.

(3) One copy of the revised Local Fund Public Works Code and Local Fund Account and Audit Rules if published.

52. (*c*) *Local Boards' Offices*—(i) *Establishments.*—The increase under this head includes the provision for (1) an increase of Rs. 5 including pensionary contribution to the fourth clerk on Rs. 15 in the District Board's office, (2) a clerk on Rs. 12 and a bill-collector on Rs. 7 for the Yercaud Union, (3) a third clerk on Rs. 10 for the Hosúr Taluk Board's office, (4) an increase of Rs. 4 including pensionary contribution to the present second clerk on Rs. 10 in the Tiruppattúr Taluk Board's office, (5) two peons on Rs. 7 each for the Salem and Námakkal Taluk Boards' offices, (6) a clerk on Rs. 9 and a bill-collector on Rs. 4 for the newly sanctioned Namagiripet Union and an increase of Rs. 2 to each of the clerks of the Atur and Rasipur Unions where work is heavy and (7) an increase of Re. 1 to each of the clerks of Denkanikóta and Kávéripatnam Unions.

The district board is satisfied with the increased work in the district board's office as explained in the current year's budget and has resolved to strengthen it by adding the temporary hand on Rs. 15 sanctioned in the current year to the permanent list and by increasing the pay of the present fourth clerk from Rs. 15 to Rs. 20. The present and the proposed scale for the district board's office as approved by the board will be as under:—

Present Scale.	Rs.	Proposed Scale.	Rs.
One Head clerk	70	One Head clerk	70
One second ,, ...	35	One second ,, ...	35
One third ,, ...	25	One third ,, ...	25
One fourth ,, ...	15	One fourth ,, ...	20
One fifth ,, (temporary) ..	15	One fifth ,, (permanent)	15
One muchi	10	One muchi	10
One peon	8	One peon	8
One ,, ...	7	One ,, ...	7
Total ..	185	Total ..	190

The Hosúr Taluk Board's office is equally heavy in point of work with the Salem Taluk Board's office for which a third clerk on Rs. 10 was sanctioned in the current year's budget. It is therefore proposed to strengthen it by adding another clerk on Rs. 10.

The Tiruppattúr Taluk Board President considers that the nature and amount of work done by his office is similar to that of the other taluk boards' offices and that the second clerk of his office is paid only Rs. 10 while the clerks in the other taluk boards' offices are paid Rs. 15. He therefore proposes to increase the pay of his second clerk to Rs. 14 instead of Rs. 15, the present incumbent being an unpassed candidate.

The Salem and Námakkal Taluk Boards' Presidents propose employing a peon on Rs. 7 on account of the difficulty of obtaining the services of the revenue peons for local fund work which has of late increased heavily.

The proposal of the Hosúr Taluk Board President to increase the pay of the taluk board head clerk from Rs. 25 to Rs. 30 or to grant a personal allowance of Rs. 5 to the present incumbent in consideration of his exceptionally good work is not adopted as the man was promoted from Rs. 20 to Rs. 25 only in April 1897.

(vi) *Miscellaneous.*—The provision under this head includes the cost of the following books and periodicals :—

District Board.

(1) One copy of the *Salem District Gazette.*

(2) Fifty-six copies of the Local Fund sheet of *Salem District Gazette* for distribution to subordinates.

(3) Eleven copies of the Educational sheet of *Salem District Gazette* for distribution to subordinates.

2. From statements III A and B, it is observed that no works of a sanitary nature are budgeted for execution under Grant 1. This is a matter for regret, as it cannot be held that this district has completed the protection of its water supplies. That this is not so is amply borne out by the pertinacity with which cholera clings to this district all the year round. To improve the tone of the sanitary administration of the district, I would advise that nine certificated sanitary inspectors be employed on Rs. 45 *plus* Rs. 15 at the rate of one for each revenue taluk and be placed under the orders of the District Medical and Sanitary Officer.

REVISED ESTIMATE FOR 1897–98.

2. *Receipts.*—The current receipts and charges are now estimated at Rs. 3,93,620 and Rs. 4,07,450, respectively, against Rs. 3,65,290 and Rs. 3,70,680 in the sanctioned budget. The increase in the receipts occurs chiefly under tolls, house-tax, avenues and and 5 and miscellaneous debt accounts. The additions to, and alterations in, the educational, sanitary and bungalow establishments, referred to in paragraph 8 of the President's letter, are sanctioned.

BUDGET ESTIMATE FOR 1898–99.

3. The receipts for the ensuing year are placed at Rs. 3,74,530 against Rupees 3,93,620 in the revised estimate, the decrease being mainly under tolls and miscellaneous debt accounts.

4. *Charges.*—(1) The charges are put down at Rs. 3,87,260 against Rs. 4,07,450 in the revised estimate, the decrease appearing chiefly under Grant 1 and miscellaneous debt accounts and being partly counterbalanced by an increase under Grant 3.

(2) *Grant 1.*—The provision made for the Local Fund engineering establishment is slightly in excess of the limit prescribed by Government. It is hoped that this will not be the case when additional allotments have been sanctioned for works in

the course of the year. The employment of an Assistant Engineer on Rs. 135—150 proposed in paragraph 24 of the President's letter, cannot be sanctioned, as it is not in accordance with the scale recommended in paragraph 5 of G.O., No. 86 L., dated 16th January 1897. The District Board is therefore requested to reconsider its proposal and report the result to Government. Meanwhile, the provision made on this account will be allowed to stand. The remaining additions to, and alterations in, the engineering establishment, proposed in paragraph 24 of the President's letter, and the employment of a watcher on Rs. 4 instead of a sweeper on Rs. 1-8-0 for the Námakkal bungalow, referred to in paragraph 26, are sanctioned.

(3) *Grant 2.*—The additions to, and alterations in, the educational establishments, referred to in paragraphs 33 and 36 of the President's letter, other than those which have been given effect to in the current year and approved in the revised estimate, are sanctioned. The suggestion made by the Director of Public Instruction that provision should be made for the teaching of drawing in the Board High school at Námakkal when funds are available should be considered by the Taluk Board. It is observed that, notwithstanding the remark in paragraph 4 (3) of G.O., No. 278 L., dated 11th February 1897, and the promise made by the President in paragraph 2 of his letter, No. 130, dated 16th May 1897, the proposed net expenditure on education has risen from Rs. 40,840 to Rs. 40,990 and continues to be more than 21 per cent. of the estimated receipts from the cess on land. Very early steps should therefore be taken for the reduction of the expenditure under this grant and the measures proposed to be adopted for this purpose should be reported for the information of Government.

(4) *Grant 3.*—The proposed entertainment of a compounder on Rs. 9 per mensem in the Tiruchengódu hospital and the increase in the pay of the ward attendants of the Denkanikóta and Alangayam dispensaries by Re. 1 each, are sanctioned. The Surgeon-General's suggestions in paragraph 2 of his letter should be adopted when funds become available. The remark and suggestion of the Sanitary Commissioner in paragraph 2 of his letter are referred to the Local Boards for consideration.

(5) *Grant 4.*—The entertainment of the market watchers, proposed in paragraph 45 of the President's letter, is sanctioned.

(6) *Grant 5.*—With reference to G.O., No. 2473 L., dated 22nd December 1897, the allotment for controlling establishments at the Presidency will be reduced from Rs. 3,690 to Rs. 3,190. The additions to the Collector's and Local Boards' office establishments, referred to in paragraphs 51 and 52, are sanctioned.

5. *Balance.*—The budget, as revised by Government, closes with a balance of Rs. 40,840, of which Rs. 8,990 appertain to unions and Rs. 13,500 to endowments, leaving Rs. 18,350, or 5·7 per cent. of the receipts available for general purposes.

6. The tabular statement given in paragraph 23 of the President's letter is unnecessary and should be omitted in future.

* The difference between this and the printed budget is due to the bungalow at the foot of Shevaroy Hills used as a rest-house having been now shown under Choultries as required in the memorandum of Government, No. 943, dated 13th August 1896, and to the Pallipatti bungalow erroneously shown under Choultries having been now excluded from them and shown under Bungalows.

Budget.

Reviewing the Salem District Board — for 1898-99.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From C. H. MOUNSEY, Esq., President, District Board, Salem, to the Secretary to Government, Local and Municipal Department, dated 9th December 1897, No. 293-Govt.

I have the honour to submit the revised estimate of receipts and charges of the local boards of the Salem district for the official year 1897–98 and the consolidated budget estimate for 1898–99, together with the prescribed statements and a map of the district corrected up to date.

REVISED ESTIMATE FOR 1897–98.

Receipts.

2. The year opened with a balance of Rs. 66,899, as detailed by the Accountant-General, against Rs. 56,780 anticipated in the original budget. The increase in the balance is due chiefly to an opening balance in excess of the estimate for 1896–97 owing to short expenditure in that year. The receipts as now estimated amount to Rs. 3,93,621 against Rs. 3,65,290 expected in the original budget, the increase being due chiefly to enhanced receipts expected under tolls, house-tax and avenues and to the inclusion of the actual debt head receipts for the first six months which were excluded in the original budget. The chief variations are explained below, while the others are accounted for in the remarks column of Statement No. IX.

3. *Cess on Land.*—The income under this head is estimated at Rs. 1,89,303 against Rs. 1,88,000 shown in the budget. The increase is due to the favourable character of the season.

4. *Tolls.*—The increase of Rs. 4,930 is due to competition for some of the local fund toll-gates at the sales of the current year.

5. *House-tax.*—The increase of Rs. 4,013 is due to levying the tax at three-fourths of the rates in some of the unions instead of one-half under sanction conveyed in G.Os., Mis. No. 603 L., dated 26th March 1897, and Mis. No. 899 L., dated 12th May 1897.

6. *Avenues.*—Rs. 33,939 are now estimated under this head against Rs. 30,230 in the original budget. The increase is due to competition at the sales for the current year on account of good supply of produce expected.

Expenditure.

7. The total expenditure of the year is now estimated at Rs. 4,07,451 against the budget estimate of Rs. 3,70,680. The increase appears under all grants except Grant 3 and the variations are explained in the remarks column of Statement No. IX. The balance to be carried forward to the ensuing year's budget amounts to Rupees 53,070 in round figure, of which Rs. 8,559 appertain to unions and Rs. 14,736 to endowment funds.

8. The following establishments have been entertained or revised temporarily in the current year, and the necessary proposition statements are herewith submitted for sanction as required in paragraph 1 (1) of G.O., No. 889 L., dated 17th May 1894 :—

District Board.—Nil.

Salem Taluk Board.—(1) Abolition of the Othiathur primary school on account of its poor strength.

(2) Transfer of the Pension Lines Hindustani school to the Salem Municipality owing to the extension of its limits in the current year.

(3) Revision of the scale of the Oduvankurchi primary school with effect from October 1897.

(4) Entertainment of a watcher on Rs. 4 for the Nangavalli tank.

(5) Transfer of the schools from Veerapandi and Kurichi to Olaipatti Sowdapuram and Alagapuram, respectively, and that of Alagapuram back to Veerapaudi.

Námakkal Taluk Board.—(1) Reduction of the Shendamangalam lower secondary school on the salary-result system to primary grade, and the consequent revision of the establishment with effect from 1st January 1898 on account of the increased cost remarked upon in paragraph 4 (2) of G.O., No. 1780 L., dated 16th September 1897.

(2) Revision of the primary school at Námakkal on the salary system.

(3) Revision of the scale of the Komarapoliam primary school on the salary-result system.

(4) Entertainment of a watcher on Rs. 3 for the Tiruchengódu tank as a temporary measure from July to September 1897.

(5) Entertainment of an additional watcher on Rs. 4 for the Kamalalayam feeder channel.

(6) Transfer of the school at Manali to Valagoundanpatti on account of poor attendance.

Hosúr Taluk Board.—(1) Increasing the pay of the Denkanikota lower secondary school gymnastic instructor from Rs. 5 to 6.

(2) Abolition of the (1) Madivalum, (2) Muthali, (3) Kandukota, (4) Pannandar, (5) Shulagiri (Hindustani) and (6) Bágalúr (Hindustani) schools.

(3) Increasing the pay of the three teachers of the Denkanikota Hindustani school by one rupee each.

(4) Revising the scales of (1) Krishnagiri, (2) Mathagiri, (3) Bágalúr and (4) Shulagiri schools.

(5) Revision of the scale of the Mathur and Shulagiri bungalow establishment.

Tiruppattúr Taluk Board.—(1) Transfer of the Pudupet and Athigarapatti primary schools to Mullukombai and Pallipatti, respectively, on account of poor attendance.

(2) Revision of the scale of Natrampalli school.

BUDGET ESTIMATE FOR 1898–99.

Receipts.

9. The receipts, excluding the opening balance, are estimated at Rs. 3,74,530 against Rs. 3,93,621, the revised estimate of 1897–98, and Rs. 3,94,811, the actuals of 1896–97. The difference between the budget estimate of 1898–99 and the revised estimate of 1897–98 is due chiefly to decreases in the estimate from tolls and miscellaneous debt heads being partly counterbalanced by increases under land-cess and house-tax. The difference between the present budget estimate and the actuals of 1896–97 is further mainly due to the increased income under tolls in the earlier year, and also to large receipts under miscellaneous debt heads which are now excluded being partly made good by increases under house-tax and avenues.

10. *I, Rates and Taxes—(a) Cess on Land.*—According to the demand, collection and balance statement appended to Statement No. IX, a balance of Rs. 5,855 will be left uncollected at the end of the current year. Taking the current demand at Rupees 1,91,500 against Rs. 1,91,565, the demand in the revised estimate, the total amount to be realized in 1898–99 will be Rs. 1,97,355, of which Rs. 1,91,660 or 97 per cent. will, it is anticipated, be collected within the year. The increase as compared with the actuals of 1896–97 is trifling.

11. (*b*) *Tolls.*—The income from tolls is estimated at Rs. 44,000 against Rupees 43,800 in the current year's budget. Of this sum, only Rs. 40,000 are expected from the toll-gates of the district board as estimated in the current year's budget, notwithstanding the eight new gates sanctioned in G.O., Mis. No. 2202 L., dated 13th November 1897, for the next year as the rates of levying tolls in all of them, including the existing fifteen gates, are to be reduced from maximum to three-fourths, and also the new toll-gates may not fetch their full value the first year they are tried.

12. (*c*) *House-tax.*—Rs. 35,110 are entered as income under this head against Rs. 29,550, the budget estimate for the current year. The increase is due to the rates at which this tax is to be levied in some of the unions having been raised from one-half to three-fourths of the maximum rates with the sanction of Government conveyed in G.Os., Mis. No. 603 L., dated 26th March 1897, and Mis. No. 899 L., dated 12th May 1897, and to the constitution of a new union at Namagiripet sanctioned in G.O., No. 2102 L., dated 1st November 1897.

13. *II, Education.*—The receipts under this head are estimated at Rs. 21,810 against Rs. 21,700, the budget estimate for the current year, and they comprise school-fees amounting to Rs. 20,740 ; sale of books, Rs. 1,000 ; money assessment from the lands attached to the Palakodu school, Rs. 40 ; and miscellaneous, Rs. 30—being the income from leasing out the compound of the Hosúr board school. The decrease of Rs. 340 under school-fees is due to the abolition of some of the ill-attended primary schools and to the reduction of the lower secondary school at Shendamangalam to primary grade. The increase of Rs. 500 under sale-proceeds of books is due to the increased income expected with reference to the actuals of 1896–97.

14. *III, Medical, &c.*—The income under this head is due to the realization from the sale of medicines from the district board reserve stock, Rs. 400, and from the Yercaud hospital, Rs. 500. Rs. 200 are taken credit for under "Contribution from municipalities", as the Salem Municipality has agreed to bear the charge for house-rent of the children and women's dispensary at Salem and the Tiruppattúr Municipality has undertaken to bear one-fourth of the cost of maintaining a similar dispensary at Tiruppattúr, excluding the pay and allowances of the female apothecary. Rs. 1,700 are expected to be realized under "Contributions from private individuals", on account of maintaining sanitary establishments, the increase being chiefly due to the enhanced subscription promised by the Superintendent of the Remount Depôt at Mathigiri. The sum of Rs. 60 shown against "Endowments" represents the assessment from the lands attached to the Rayacottah dispensary. The estimated receipts under "Miscellaneous" are fixed at Rs. 40 with reference to the revised estimate of the current year.

15. *IV, Interest.*—The sum of Rs. 2,070 expected from Government securities represents the interest due on (1) the sum of Rs. 5,500 invested on behalf of the local fund hospital at Hosúr, (2) on the Price Vaccination fund of Rs. 10,700, and (3) on the surplus pagoda fund of Rs. 43,000. Rs. 100, shown as interest on arrears of land-cess, are fixed with reference to the actuals of 1896–97.

16. *V, Miscellaneous.*—The receipts under this head are estimated at Rs. 65,300 against Rs. 64,290 in the current year's budget. The principal variations are explained below :—

(*b*) *Choultry Rents.*—The receipts under this head are fixed with reference to the revised estimate of the current year.

(*c*) *Market Rents.*—The income under this head is fixed with reference to the revised estimate of the current year.

(*h*) *Fishery Rents.*—This is also fixed with reference to the revised estimate.

(*j*) *Avenues.*—The receipts under this head are estimated at Rs. 32,750 against Rs. 30,230, the budget estimate for the current year. The increase is due to the present estimate being fixed with reference to the results of the avenue tamarind sales held in the current year.

17. *VI, Public Works.*—The income from this source is estimated at Rs. 1,200 against Rs. 1,230 in the current year's budget.

18. *VII, Contribution from Provincial Funds*—(*a*) *Education.*—The income under this head is fixed at Rs. 8,670 against Rs. 8,500, the budget estimate for the current year. The increase is due chiefly to increased earnings expected by the Salem Taluk Board.

(*d*) *Choultries.*—The usual allowance of Rs. 1,750 from the Thoppur Chattram fund for maintaining the chattrams at Thoppur, Súramangalam, Jalarpet, Morappúr and Tiruppattúr for Muhammadans and Pariahs is repeated.

19. *VIII, Contributions from Special Funds.*—This is the amount anticipated from special funds, being one-fourth of the travelling allowance of the local audit clerk due to local funds under G.O., No. 494 L., dated 6th March 1893.

20. *IX, Allotments from the District Fund.*—To cover the short receipts of the taluk boards, a sum of Rs. 46,760 is transferred to them as shown below :—

	Rs.
Salem Taluk Board	18,505
Námakkal Taluk Board	2,350
Hosúr do.	9,675
Tiruppattúr do.	16,230
Total ..	46,760

Expenditure.

21. The total expenditure under the several grants is estimated at Rs. 3,87,260 against the current year's revised estimate of Rs. 4,07,451 and the actuals of 1896–97 (Rs. 4,27,965), the decrease, as compared with the revised estimate and the actuals, being due chiefly to reduced provision made under Grant 1, and also to miscellaneous debt heads now excluded.

		Three sub-overseers on Rs. 35 each.	105
Total ..	570	Total ..	605

For reasons explained in this office letter, No. 246-Govt., dated 2nd October 1897, disposed of in G.O., Mis. No. 2132 L., dated 3rd November 1897, the district board is also in favour of having two Assistant Engineers on the prescribed grade in addition to the Engineer, but wishes to raise one of the supervisors to this grade at present and to defer the other until another vacancy occurs. M.R.Ry. Rama Row, who is now temporarily holding the Tiruppattúr Supervisorship, is recommended to be appointed as an Assistant Engineer on Rs. 150, but to start from Rs. 135 by annual increment of Rs. 5, as he is fully qualified for the place.

It is also proposed to add the temporary accountant on Rs. 15 sanctioned in the current year's budget to the permanent list as the board is satisfied with the increased work in the Engineer's office, and provision is accordingly made for it in the ensuing year's budget—pay, Rs. 13-8-0, and pensionary contribution, Rs. 1-8-0.

The Engineer's proposals to employ a record-keeper on Rs. 12 and to increase the pay of one of his lascars from Rs. 7 to Rs. 8 are not adopted as they are not necessary.

25. *IV, Tolls and Ferries.*—Rs. 200 are provided for meeting the charges of providing new tables of rates for all the toll-gates in the district.

26. *V, Bungalows.*—Rs. 760 are allotted under this head against Rs. 720 in the current year's budget. The post of the Shulagiri bungalow sweeper on As. 8 has been abolished in the current year and it is proposed to raise the pay of the Mathur bungalow sweeper from As. 8 to Re. 1. It is also proposed to employ a watcher on Rs. 4 to the Námakkal bungalow instead of a sweeper on Rs. 1-8-0. The district board has resolved to take up the management of these buildings from the next official year, as under the existing arrangement they are not satisfactorily maintained and no uniformity kept up in the matter of furnishing them and charging fees. The receipts and charges connected with these buildings are now exhibited under VI, Public Works, and Grant 1, respectively, as required by the Accountant-General in his circular, No. 8 (Local Fund Department), dated 6th November 1897.

27. (*d*) *Tools and Plant.*—Rs. 1,500 are provided under this head against Rs. 1,000 allotted for the current year. The increase is due to the current year's provision having been reduced in reference to the large number of tools purchased in 1896–97.

28. (*e*) *Contingencies.*—A sum of Rs. 8,150 is provided under this head against an allotment of Rs. 7,880 in the current year. The increase is due to the enhanced provision for (1) travelling allowance of overseers and clerks and servants, (2) conveyance of office records, and (3) law charges. The following are the details under this head:—

	Rs.
Travelling allowance to the Engineer	
" " to Supervisor and Assistant Engineer	1,600
" " to Overseers (nine at Rs. 15 and one at Rs. 20).	1,600
" " to Clerks and servants	1,860

Advertisement charges	30
Conveyance of office records	120
Furniture	50

The provision under "Sundries" includes the cost of purchasing the following books:—

(1) Fifteen copies of the revised "Local Fund Public Works Code and Account and Audit Rules."
(2) One office clock at a cost of Rs. 16.

29. The total allotment for the engineering establishment and contingencies amounts to Rs. 32,300 or 20·4 per cent. of the proposed outlay on works, including the lump provision for incomplete works (Rs. 1,58,200), against the maximum of 20 per cent. prescribed by Government.

30. The total provision under Grant 1 amounts to Rs. 1,93,100 and is 51·6 per cent. of the estimated receipts of the year.

31. *Grant 2, Education*—(*a*) *Inspection.*—Rs. 4,850 are provided under this head as in the current year. The proposal of the educational officers to grade the pay of the inspecting schoolmasters has not been adopted for want of funds.

32. (*c*) *Sessional Schools.*—A sum of Rs. 1,200 is provided, as in the current year, for maintaining a school throughout the year. The suggestion to increase the number of sessional schools contained in paragraph 4 (2) of G.O., No. 1780 L., dated 16th September 1897, has not been taken up for want of funds and to the high percentage of expenditure on education as it is. But every endeavour will be made to get a greater number of teachers of aided schools trained by compelling them to undergo training.

As usual, a provision of Rs. 190 is made for sending two Muhammadan students for training to Madras.

33. (*d*) *Secondary Schools*—(i) *Salary System.*—Rs. 13,160 are provided under this head against Rs. 13,240 in the current year. The decrease is the net result of the following changes:—

	Rs.
Excess provision under salaries of masters in the current year's budget now omitted	80
Savings effected in the provision for contingencies of the Námakkal High school	45
Abolishing the post of Hindustani munshi of the Krishnagiri school on Rs. 10	120
Total ..	245
Increasing the pay of the present headmaster of the Námakkal High school from Rs. 75 to Rs. 80 with effect from 1st October 1898 ..	30
Increasing the pay of the peon of the above school from Rs. 5 to Rs. 6	12
Pay of the Telugu munshi proposed to be employed in the Hosúr Lower Secondary school on Rs. 10 per mensem	120
Increment due to the fourth assistant of the Dharmapuri Lower Secondary school at As. 8.	6
Total ..	168
Net decrease ..	77 or 80

The proposals of the educational officers to raise the pay of the last assistant of the Rásipuram school from Rs. 6 to Rs. 7, to increase the pay of the gymnastic instructor of the Námakkal High school from Rs. 8 to Rs. 10, and to raise the pay of the fourth assistant of the Tiruchengódu school from Rs. 10 to Rs. 12 are reported by the respective taluk boards to have not been adopted as unnecessary. The Director's suggestion on the current year's budget, referred to in paragraph 4 (3) of G.O., No. 278 L., dated 11th February 1897, was referred to the educational officers to suggest means of employing a drawingmaster to the Námakkal High school without extra cost to the board. They appear to have suggested the substitution of a drawingmaster for the carpentrymaster, but the Taluk Board President reports that the proposal would involve additional cost and that the Director as also the people of the town are not in favour of it.

34. (ii) *Salary-result System.*—Rs. 1,700 are provided under this head against Rs. 2,840 in the current year. The proposal of the Námakkal Taluk Board to reduce the Shendamangalam school to the primary grade in reference to the remarks of Government contained in paragraph 4 (2) of G.O., No. 1780 L., dated 16th September 1897, and that of the Hosúr Taluk Board to increase the pay of the gymnastic instructor of the Denkanikóta school from Rs. 5 to Rs. 6 are accepted. The proposal of the Salem Taluk Board to raise the pay of the peon of the Atur Hindustani school from Rs. 4 to Rs. 5 has not been adopted as unnecessary.

35. (*e*) *Elementary Schools*—(i) *Salary System.*—Rs. 1,030 are provided under this head against Rs. 920 in the current year's budget. The increase is due to the proposal of employing a separate gymnastic instructor on Rs. 8 for the Námakkal boys' school and of increasing the pay of the peon of the same school from Rs. 3 to Rs. 4 as recommended by the educational officers.

36. (ii) *Salary-result System.*—The total provision under this head is Rs. 40,890 against Rs. 39,890 in the current year's budget. The difference is chiefly due to the following:—

Salem Taluk Board.—The proposals of the taluk board to abolish the Othyathur school with effect from the commencement of the current official year on account of its poor strength, to transfer the Pension Lines Hindustani school to the Salem Municipality owing to the extension of its limits, and to revise the scales of (1) Atur (Hindustani), (2) Oduvankurichi and (3) Ethapur schools at a total reduced cost of Rs. 20, are accepted.

Námakkal Taluk Board.—The proposals of the Námakkal Taluk Board to close the schools at (1) Pallipoliem and (2) Kattupoliem on account of their poor strength and to revise the scales of (1) Thathiengarpett, (2) Sankaridrug, (3) Komarapoliem, (4) Edappadi and (5) Shendamangalam (Hindustani) schools at a total increased cost of Rs. 220 to be met from the savings effected by reducing the Shendamangalam secondary school on the salary-result system to the primary grade are approved.

Hosúr Taluk Board.—The Hindu schools at (1) Madivalam, (2) Muthali, (3) Kundukota and (4) Pannandur, and the Hindustani schools at Shulagiri and Bagalur have been abolished in the current year as the average attendance was below twenty, and the Hindu school at Athimugam and the Hindustani schools at Thalli, Dowlatabad and Kottur will also be closed from the beginning of the next official year for the same reason. The savings thus effected are proposed to be partly utilized in revising the scales of (1) Mathigiri, (2) Bagalur, (3) Krishnagiri, (4) Shulagiri, (5) Hosúr and (6) Denkanikóta (Hindustani) schools as recommended by the educational officers.

Tiruppattúr Taluk Board.—The schools at Pudupet and Athigarapatti have been transferred from the beginning of the current official year to Mullukummai and Pallipatti, respectively, on account of their poor strengths. For the same reason the school at Nattam is proposed to be closed and to utilize the savings thus effected for opening a Panchama school at Jalarpet as recommended by the educational officers. The taluk board's further proposal to revise the scale of the Natrampalli school at an increased cost of Rs. 80, with effect from the current official year, is accepted.

37. (*f*) *Grant-in-aid.*—Rs. 7,300 are provided under this head against Rs. 7,310 in the current year.

38. (*h*) *Miscellaneous.*—The usual provision of Rs. 1,000 for the purchase of books has been repeated, as the current year's provision was specially reduced to Rs. 500 in reference to the large number purchased at the close of 1896–97.

39. The total estimate under Grant 2 is Rs. 71,470 and is 19 per cent. of the estimated receipts of the year.

40. *Grant 3, Medical Services, Vaccination and Sanitation*—(*a*) *Hospitals and Dispensaries*—(ii) *Medical Subordinates.*—Rs. 19,280 are provided under this head against Rs. 19,340 in the current year's budget. The increase is due to the following causes :—

	Rs.
(1) Enhanced provision for the first-class hospital assistant for the Shendamangalam dispensary instead of a second-class hospital assistant	+ 210
(2) Enhanced provision for the g ade pay of the first-class civil apothecary at Krishnagiri for the whole year instead of only for a portion in the current year	+ 65
(3) Enhanced provision for the grade pay of the second-class hospital assistant at Pennagaram for the whole year instead of only for a portion in the current year	+ 26
(4) Carriage allowance of the Salem and Tiruppattúr female apothecaries hitherto erroneously provided under salaries of medical subordinates instead of under contingencies now omitted ..	— 360
Total ..	—61 or 60

The proposal of the Salem Taluk Board to convert the Rásipuram dispensary into a hospital and to open a fresh dispensary at Ethapur has not been adopted for want of funds.

(iii) *Clerks and Servants.*—Rs. 3,710 are provided against Rs. 3,580 in the current year. It is proposed to entertain a compounder on Rs. 9 in the Tiruchengódu hospital and to increase the pay of the warders attached to the Denkanikóta and Alangayam dispensaries by one rupee each.

The proposal of the District Medical and Sanitary Officer to entertain a female compounder on Rs. 9 in each of the children and women's dispensaries at Salem and Tiruppattúr has not been adopted for want of funds.

(v) *Medicines and Surgical Instruments.*—The slight increase of Rs. 100 is due to the current year's provision for the Rásipuram dispensary being found inadequate.

(xii) *House-rent to Hospital Assistants.*—The increase is due to the following causes :—

	Rs.
(1) Provision for the present hospital assistant at Shendamangalam who is entitled to the house-rent	36
(2) Enhanced provision for the present hospital assistant at Denkanikóta	15
(3) Enhanced provision for the present hospital assistant at Royacottah	15
(4) Enhanced provision for the present hospital assistant at Palakodu .	6
(5) Provision for the Salem female apothecary now vacant owing to the difficulty of procuring a hand for the place on account of the inadequate pay of Rs. 50+25 and the costly living at Salem ..	120
Total ..	192 or 200

Free quarters have been provided for the Yercaud hospital assistant and the others are given house-rent in lieu of free quarters. The question of constructing quarters for the other hospital assistants has not been taken up for want of funds.

(xiii) & (xiv) *Contingencies and Miscellaneous.*—The increase under this head is chiefly due to the carriage allowance of the female apothecaries being transferred to this head from medical subordinates as required by the audit office. This includes the cost of purchasing the following books and periodicals :—

District Board.

(1) One copy of "British Pharmacopœia" for the children and women's dispensary at Tiruppattúr.
(2) One copy of the "Lancet."
(3) One copy of the "Indian Medical Journal."
(4) One copy of quarterly "Braithwaite's Retrospect of Medicine."

Salem Taluk Board.

(1) Four copies of "Indian Pharmacopœia."
(2) Four copies of "Madras Nursing Manual."

41. (*b*) *Vaccination.*—Rs. 10,900 are provided under this head as usual.

42. (*c*) *Sanitation.*—Rs. 36,100 are provided under this head against Rs. 32,250 in the current year's budget. The increase under all items is due chiefly to enhanced provision made for the unions where increased income under house-tax is expected. The proposals of the Salem and Námakkal Taluk Boards—

(1) to entertain a watcher on Rs. 4 for the Nangavalli tank with effect from the current official year;

(2) to employ an additional watcher on Rs. 4 for the Atur river; and

(3) to entertain an additional watcher on Rs. 4 for the Kamalalayam tank feeder channel, are accepted. The rest of the changes proposed in the scales of sanitary establishments are not enumerated here as under G.O., No. 1892 L., dated 1st October 1897, the local boards can employ them without the sanction of Government and debit the charges to "Contingencies" as the whole time of the local fund sweepers and scavengers is not given to local fund service.

43. (*d*) *Contributions to*—(i) *Provincial Services.*—The estimate under sanitary inspection and reserve medical staff is fixed with reference to the actuals for 1896–97.

(iii) *Municipalities.*—As in the current year, Rs. 1,200 are provided for payment from the district fund to the Salem Municipality, Rs. 1,100 towards the cost of maintaining hospitals, and Rs. 100 for the lying-in ward. Rs. 1,000 provided under

taluk funds represent the usual contribution payable to the Tiruppattúr and Vániyambádi Municipalities by the taluk board towards the upkeep of the hospitals maintained by them.

44. The total provision under Grant 3 amounts to Rs. 88,380 and is 23·6 per cent. of the estimated receipts of the year.

45. *Grant 4, Public and Charitable Institutions*—(*a*) *Markets.*—Rs. 880 are provided under this head against Rs. 440 in the current year. The increase is due to the provision made by the Námakkal Taluk Board for employing watchers for eight more markets to clean them in the mornings and to plant shade-giving trees in them and to the enhanced provision made by the same board under contingencies of the Mohamur market, being the amount payable to the Forest department for the lease of the Government topes at that place used as market-site.

46. (*b*) *Choultries.*—The decrease under this head is due chiefly to the reduced provision made for contingencies of the choultries under the Námakkal Taluk Board in reference to the actuals of 1896–97.

47. (*d*) *Contributions to*—(ii) *Other District Boards.*—The usual provision of Rs. 30 is made for payment to the Coimbatore District Board towards the cost of lighting the Cauvery bridge at Komarapoliem.

(iii) *Municipalities.*—As usual, Rs. 200 are provided on account of the contribution payable to the Salem Municipality towards the cost of maintaining the poor house.

48. (*e*) *Miscellaneous*—(iii) *Lighting Charges.*—Rs. 2,060 are provided under this head as in the current year. The proposals of the Salem and Hosúr Taluk Boards to incur increased expenditure under this head are disallowed as unnecessary.

(iv) *Miscellaneous.*—Rs. 50 are provided on account of maintaining water-pandals during the hot weather at places to be determined by the Salem and Hosúr Taluk Boards.

49. The total provision under Grant 4 amounts to Rs. 4,740 and is 1·3 per cent. of the estimated receipts of the year.

50. *Grant 5, Supervision and Management*—(*a*) (i) *Controlling Establishment at the Presidency.*—Intimation from the Accountant-General as to the percentage at which the provision under this head is to be made not having been received, the current year's figure is repeated.

(ii) *Printing work done at the Government Press.*—Rs. 600 are provided under this head with reference to the actuals of 1896–97.

51. (*b*) *Establishment in the Collector's Office*—(i) *Audit.*—Rs. 2,220 are provided under this head against Rs. 1,980 in the current year's budget. The increase is due to the provision made for the additional audit clerk's pay for the whole year instead of only eleven months in the current year and to the enhanced provision made for travelling allowance owing to the current year's provision being found inadequate.

(ii) *Accounts.*—Rs. 80 are provided in excess of the current year's figure to entertain an attender on Rs. 7 per mensem. Till December 1895 the papers relating to the Local Fund Account Branch were indexed and despatched in the Provincial Account Branch and under Board's Proceedings, No. 361, dated 4th October 1895, the despatching work was separated from January 1896 and consequently separate registers are being maintained. Under the orders of the late Treasury Deputy Collector, the services of the attender attached to the Local Fund Audit Branch were being utilized to the end of 1896–97 for menial work such as ruling statements, preparing covers, &c., but from the current official year the attender of the audit branch is required to accompany the audit clerk on inspection duty for about 26 days in a month. His services cannot, therefore, be utilized by the account branch as hitherto, and hence the necessity for a separate attender.

The provision under contingencies includes the cost of purchasing the following books :—

(1) One copy of the revised edition of the Civil Service Regulations with correction slips.

(2) One copy of the Civil Account Code with correction slips.

(3) One copy of the revised Local Fund Public Works Code and Local Fund Account and Audit Rules if published.

52. (*c*) *Local Boards' Offices*—(i) *Establishments.*—The increase under this head includes the provision for (1) an increase of Rs. 5 including pensionary contribution to the fourth clerk on Rs. 15 in the District Board's office, (2) a clerk on Rs. 12 and a bill-collector on Rs. 7 for the Yercaud Union, (3) a third clerk on Rs. 10 for the Hosúr Taluk Board's office, (4) an increase of Rs. 4 including pensionary contribution to the present second clerk on Rs. 10 in the Tiruppattúr Taluk Board's office, (5) two peons on Rs. 7 each for the Salem and Námakkal Taluk Boards' offices, (6) a clerk on Rs. 9 and a bill-collector on Rs. 4 for the newly sanctioned Namagiripet Union and an increase of Rs. 2 to each of the clerks of the Atur and Rasipur Unions where work is heavy and (7) an increase of Re. 1 to each of the clerks of Denkanikóta and Kávéripatnam Unions.

The district board is satisfied with the increased work in the district board's office as explained in the current year's budget and has resolved to strengthen it by adding the temporary hand on Rs. 15 sanctioned in the current year to the permanent list and by increasing the pay of the present fourth clerk from Rs. 15 to Rs. 20. The present and the proposed scale for the district board's office as approved by the board will be as under :—

Present Scale.	Rs.	Proposed Scale.	Rs.
One Head clerk	70	One Head clerk	70
One second „	35	One second „	35
One third „	25	One third „	25
One fourth „	15	One fourth „	20
One fifth „ (temporary) ..	15	One fifth „ (permanent)	15
One muchi	10	One muchi	10
One peon	8	One peon	8
One „	7	One „	7
Total ..	185	Total ..	190

The Hosúr Taluk Board's office is equally heavy in point of work with the Salem Taluk Board's office for which a third clerk on Rs. 10 was sanctioned in the current year's budget. It is therefore proposed to strengthen it by adding another clerk on Rs. 10.

The Tiruppattúr Taluk Board President considers that the nature and amount of work done by his office is similar to that of the other taluk boards' offices and that the second clerk of his office is paid only Rs. 10 while the clerks in the other taluk boards' offices are paid Rs. 15. He therefore proposes to increase the pay of his second clerk to Rs. 14 instead of Rs. 15, the present incumbent being an unpassed candidate.

The Salem and Námakkal Taluk Boards' Presidents propose employing a peon on Rs. 7 on account of the difficulty of obtaining the services of the revenue peons for local fund work which has of late increased heavily.

The proposal of the Hosúr Taluk Board President to increase the pay of the taluk board head clerk from Rs. 25 to Rs. 30 or to grant a personal allowance of Rs. 5 to the present incumbent in consideration of his exceptionally good work is not adopted as the man was promoted from Rs. 20 to Rs. 25 only in April 1897.

53. The total provision under Grant 5 amounts to Rs. 29,570 and is 7·9 per cent. of the estimated receipts of the year.

54. *Balance.*—Deducting Rs. 3,87,260, the estimated total charges under the several grants, from Rs. 4,27,600, the estimated total assets of the year, a balance of Rs. 40,340 is left, of which Rs. 22,490 appertain to the union and endowment funds. The amount available for general purposes is thus reduced to Rs. 17,850 as detailed in the margin, which is 5 per cent. of the receipts excluding opening balance and endowment receipts.

55. The necessary proposition statements in respect of the additions to, and alterations in, the existing establishments and for the new establishments proposed in the foregoing paragraphs are enclosed.

56. The revised and the consolidated budget estimates have been duly passed by the district board and a copy of its resolution is herewith submitted.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 4th January 1898, No. 29.

With reference to the educational portion of the budget estimate of the Salem District Board for 1898–99, I have the honour to state that the allotments made under the several budget heads may be accepted. I would, however, remark that, as drawing is a compulsory subject of instruction in all upper secondary forms, provision should be made, when funds permit, for the teaching of this subject in the Board High school, Námakkal.

2. The net expenditure under Grant 2 is Rs. 40,990 (71,470—30,480) which is over 21 per cent. of the estimated income from land-cess.

From Surgeon-Major-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated 7th January 1898, No. 6.

With reference to Grant 3 of the budget estimate of the District Board, Salem, for the year 1898–99, I have the honour to state that the proposals of the board to entertain a compounder on Rs. 9 in the Tiruchengódu hospital, and to increase the pay of the ward attendants attached to the Denkanikóta and Alangyam dispensaries by Re. 1 each, meet with my approval.

2. No provision appears to have been made in the budget to meet the following recommendations of the District Medical and Sanitary Officer for hospitals and dispensaries:—

(1) *Sankaridrug Dispensary.*—(*a*) To lime-wash the building and repair the flooring; (*b*) conversion of the disused wards into hospital assistant's quarters.

(2) *Tiruchengódu Hospital.*—To increase the accommodation for female in-patients and provide a store-room and bath-rooms for both sexes.

(3) *Námakkal Hospital.*—To expedite the repairs to the buildings and supply the hospital with more bedding and clothing; to provide a compounder; to repair the roof of the pandals, the latrines and contagious disease shed and put up the compound gate; to expedite the repairs to the latrines.

(4) *Women and Children's Dispensary.*—To provide shelves for the store-room; to locate the dispensary in a more central part of the town so that it may be more accessible to the Muhammadan portion of the community.

3. The other items call for no further remarks.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 26th January 1898, No. 129-S.

With reference to the budget estimate of the Salem District Board for 1898–99, I have the honour to state that the provision therein made for the conduct of vaccination is the same as that for the current year and may be accepted, in view of the board's resolve to continue existing arrangements as regards the manufacture and distribution of lymph. The assignment for sanitation is Rs. 36,100 against Rs. 31,350 entered in the current year's budget and forms 9·6 per cent of the estimated current receipts.

2. From statements III A and B, it is observed that no works of a sanitary nature are budgeted for execution under Grant 1. This is a matter for regret, as it cannot be held that this district has completed the protection of its water supplies. That this is not so is amply borne out by the pertinacity with which cholera clings to this district all the year round. To improve the tone of the sanitary administration of the district, I would advise that nine certificated sanitary inspectors be employed on Rs. 45 *plus* Rs. 15 at the rate of one for each revenue taluk and be placed under the orders of the District Medical and Sanitary Officer.

ORDER—No. 188 L., dated 1st February 1898.

REVISED ESTIMATE FOR 1897–98.

2. *Receipts.*—The current receipts and charges are now estimated at Rs. 3,93,620 and Rs. 4,07,450, respectively, against Rs. 3,65,290 and Rs. 3,70,680 in the sanctioned budget. The increase in the receipts occurs chiefly under tolls, house-tax, avenues and miscellaneous debt accounts and that in the charges appears mainly under Grants 1 and 5 and miscellaneous debt accounts. The additions to, and alterations in, the educational, sanitary and bungalow establishments, referred to in paragraph 8 of the President's letter, are sanctioned.

BUDGET ESTIMATE FOR 1898–99.

3. The receipts for the ensuing year are placed at Rs. 3,74,530 against Rupees 3,93,620 in the revised estimate, the decrease being mainly under tolls and miscellaneous debt accounts.

4. *Charges.*—(1) The charges are put down at Rs. 3,87,260 against Rs. 4,07,450 in the revised estimate, the decrease appearing chiefly under Grant 1 and miscellaneous debt accounts and being partly counterbalanced by an increase under Grant 3.

(2) *Grant 1.*—The provision made for the local fund engineering establishment is slightly in excess of the limit prescribed by Government. It is hoped that this will not be the case when additional allotments have been sanctioned for works in

the course of the year. The employment of an Assistant Engineer on Rs. 135–150, proposed in paragraph 24 of the President's letter, cannot be sanctioned, as it is not in accordance with the scale recommended in paragraph 5 of G.O., No. 86 L., dated 16th January 1897. The district board is therefore requested to reconsider its proposal and report the result to Government. Meanwhile, the provision made on this account will be allowed to stand. The remaining additions to, and alterations in, the engineering establishment, proposed in paragraph 24 of the President's letter, and the employment of a watcher on Rs. 4 instead of a sweeper on Rs. 1-8-0 for the Námakkal bungalow, referred to in paragraph 26, are sanctioned.

(3) *Grant 2.*—The additions to, and alterations in, the educational establishments, referred to in paragraphs 33 and 36 of the President's letter, other than those which have been given effect to in the current year and approved in the revised estimate, are sanctioned. The suggestion made by the Director of Public Instruction that provision should be made for the teaching of drawing in the Board High school at Námakkal when funds are available should be considered by the taluk board. It is observed that, notwithstanding the remark in paragraph 4 (3) of G.O., No. 278 L., dated 11th February 1897, and the promise made by the President in paragraph 2 of his letter, No. 130, dated 16th May 1897, the proposed net expenditure on education has risen from Rs. 40,840 to Rs. 40,990 and continues to be more than 21 per cent. of the estimated receipts from the cess on land. Very early steps should therefore be taken for the reduction of the expenditure under this grant and the measures proposed to be adopted for this purpose should be reported for the information of Government.

(4) *Grant 3.*—The proposed entertainment of a compounder on Rs. 9 per mensem in the Tiruchengódu hospital and the increase in the pay of the ward attendants of the Denkanikóta and Alangyam dispensaries by Re. 1 each, are sanctioned. The Surgeon-General's suggestions in paragraph 2 of his letter should be adopted when funds become available. The remark and suggestion of the Sanitary Commissioner in paragraph 2 of his letter are referred to the local boards for consideration.

(5) *Grant 4.*—The entertainment of the market watchers, proposed in paragraph 45 of the President's letter, is sanctioned.

(6) *Grant 5.*—With reference to G.O., No. 2473 L., dated 22nd December 1897, the allotment for controlling establishments at the Presidency will be reduced from Rs. 3,690 to Rs. 3,190. The additions to the Collector's and local board's office establishments, referred to in paragraphs 51 and 52, are sanctioned.

5. *Balance.*—The budget, as revised by Government, closes with a balance of Rs. 40,840, of which Rs. 8,990 appertain to unions and Rs. 13,500 to endowments, leaving Rs. 18,350, or 5·7 per cent. of the receipts available for general purposes.

6. The tabular statement given in paragraph 23 of the President's letter is unnecessary and should be omitted in future.

Salem D. B. Budget for 1898-99

12. (*c*) *House-tax.*—Rupees 35,110 are entered as income under this head against Rs. 29,550, the budget estimate for the current year. The increase is due to the rates at which this tax is to be levied in some of the unions having been raised from one-half to three-fourths of the maximum rates with the sanction of Government conveyed in G.Os., Mis. No. 605 L., dated 26th March 1897, and Mis. No. 899 L., dated 12th May 1897, and to the constitution of a new union at Namagiripet sanctioned in G.O., No. 2102 L., dated 1st November 1897.

13. *II, Education.*—The receipts under this head are estimated at Rs. 21,810 against Rs. 21,700, the budget estimate for the current year, and they comprise school-fees, amounting to Rs. 20,740; sale of books, Rs. 1,000; money assessment from the lands attached to the Palakodu school, Rs. 40; and miscellaneous, Rs. 30—being the income from leasing out the compound of the Hosúr board school. The decrease of Rs. 340 under school-fees is due to the abolition of some of the ill-attended primary schools and to the reduction of the lower secondary school at Shendamangalam to primary grade. The increase of Rs. 500 under sale-proceeds of books is due to the increased income expected with reference to the actuals of 1896–97.

14. *III, Medical, &c.*—The income under this head is due to the realization from the sale of medicines from the district board reserve stock, Rs. 400, and from the Yercaud hospital, Rs. 500. Rs. 200 are taken credit for under "Contribution from municipalities", as the Salem Municipality has agreed to bear the charge for house-rent of the children and women's dispensary at Salem and the Tiruppattúr Municipality has undertaken to bear one-fourth of the cost of maintaining a similar dispensary at Tiruppattúr, excluding the pay and allowances of the female apothecary. Rs. 1,700 are expected to be realized under "Contributions from private individuals", on account of maintaining sanitary establishments, the increase being chiefly due to the enhanced subscription promised by the Superintendent of the Remount Depôt at Mathigiri. The sum of Rs. 60 shown against "Endowments" represents the assessment from the lands attached to the Rayacottah dispensary. The estimated receipts under "Miscellaneous" are fixed at Rs. 40 with reference to the revised estimate of the current year.

15. *IV, Interest.*—The sum of Rs. 2,070 expected from Government securities represents the interest due on (1) the sum of Rs. 5,500 invested on behalf of the local fund hospital at Hosúr, (2) on the Price Vaccination fund of Rs. 10,700, and (3) on the surplus pagoda fund of Rs. 43,000. Rs. 100, shown as interest on arrears of land-cess, are fixed with reference to the actuals of 1896–97.

16. *V, Miscellaneous.*—The receipts under this head are estimated at Rs. 65,300 against Rs. 64,290 in the current year's budget. The principal variations are explained below:—

(*b*) *Choultry Rents.*—The receipts under this head are fixed with reference to the revised estimate of the current year.

(*c*) *Market Rents.*—The income under this head is fixed with reference to the revised estimate of the current year.

(*h*) *Fishery Rents.*—This is also fixed with reference to the revised estimate.

(*j*) *Avenues.*—The receipts under this head are estimated at Rs. 32,750 against Rs. 30,230, the budget estimate for the current year. The increase is due to the present estimate being fixed with reference to the results of the avenue tamarind sales held in the current year.

17. *VI, Public Works.*—The income from this source is estimated at Rs. 1,200 against Rs. 1,230 in the current year's budget.

18. *VII, Contribution from Provincial Funds*—(*a*) *Education.*—The income under this head is fixed at Rs. 8,670 against Rs. 8,500, the budget estimate for the current year. The increase is due chiefly to increased earnings expected by the Salem Taluk Board.

(*d*) *Choultries.*—The usual allowance of Rs. 1,750 from the Thoppur Chattram fund for maintaining the chattrams at Thoppur, Súramangalam, Jalarpet, Morappúr and Tiruppattúr for Muhammadans and Pariahs is repeated.

19. *VIII, Contributions from Special Funds.*—This is the amount anticipated from special funds, being one-fourth of the travelling allowance of the local audit clerk due to local funds under G.O., No. 494 L., dated 6th March 1893.

20. *IX, Allotments from the District Fund.*—To cover the short receipts of the taluk boards, a sum of Rs. 46,760 is transferred to them as shown below:—

	Rs.
Salem Taluk Board	18,505
Námakkal Taluk Board	2,350
Hosúr do.	9,675
Tiruppattúr do.	16,230
Total ..	46,760

Expenditure.

21. (ii) *Civil Buildings.*—Rs. 1,200 are provided under this head against Rs. 800 in the current year. The increased provision is made for executing repairs to some of the school buildings under the Námakkal Taluk Board which are in urgent need of repairs.

(iii) *Miscellaneous Public Improvements.*—Rs. 7,500 are assigned for the upkeep of avenues and Rs. 1,540 for repairs to market sheds against Rs. 6,100 and Rs. 2,200, respectively, in the current year. The increase under avenues is due to the enhanced provision made for filling up the gaps in the existing avenues on some of the roads.

24. (*a*) (iii) *Local Fund Engineering Establishment.*—Rs. 24,150 are allotted, as detailed below, against Rs. 23,350 provided in the current year's budget :—

	Rs.
Pay of the District Board Engineer at Rs. 600 per mensem ..	7,200

With reference to the remarks of Government contained in G.O., Mis. No. 2132 L., dated 3rd November 1897, the district board has resolved to regrade the existing staff of local fund overseers and to bring them up to the standard recommended in paragraph 5 of G.O., No. 86 L., dated 16th January 1897, the net result being an increase of Rs. 420 in the annual cost of the establishment as detailed below :—

Present Scale.	Rs.	Proposed Scale.	Rs.
Two 1st-grade overseers on Rs. 70 each	140	One 1st-grade overseer on Rs. 100 ..	100
Three 2nd-grade overseers on Rs. 60 each	180	Two 2nd-grade overseers on Rs. 80 each	160

		Three sub-overseers on Rs. 35 each.	105
Total ..	570	Total ..	605

For reasons explained in this office letter, No. 246-Govt., dated 5th October 1897, disposed of in G.O., Mis. No. 2132 L., dated 3rd November 1897, the district board is also in favour of having two Assistant Engineers on the prescribed grade in addition to the Engineer, but wishes to raise one of the supervisors to this grade at present and to defer the other until another vacancy occurs. M.R.Ry. Rama Row, who is now temporarily holding the Tiruppattúr Supervisorship, is recommended to be appointed as an Assistant Engineer on Rs. 150, but to start from Rs. 135 by annual increment of Rs. 5, as he is fully qualified for the place.

It is also proposed to add the temporary accountant on Rs. 15 sanctioned in the current year's budget to the permanent list as the board is satisfied with the increased work in the Engineer's office, and provision is accordingly made for it in the ensuing year's budget—pay, Rs. 13–8–0, and pensionary contribution, Rs. 1–8–0.

The Engineer's proposals to employ a record-keeper on Rs. 12 and to increase the pay of one of his lascars from Rs. 7 to Rs. 8 are not adopted as they are not necessary.

25. *IV, Tolls and Ferries.*—Rs. 200 are provided for meeting the charges of providing new tables of rates for all the toll-gates in the district.

26. *V, Bungalows.*—Rs. 760 are allotted under this head against Rs. 720 in the current year's budget. The post of the Shulagiri bungalow sweeper on As. 8 has been abolished in the current year and it is proposed to raise the pay of the Mathur bungalow sweeper from As. 8 to Re. 1. It is also proposed to employ a watcher on Rs. 4 to the Námakkal bungalow instead of a sweeper on Rs. 1–8–0. The district board has resolved to take up the management of these buildings from the next official year, as under the existing arrangement they are not satisfactorily maintained and no uniformity kept up in the matter of furnishing them and charging fees. The receipts and charges connected with these buildings are now exhibited under VI, Public Works, and Grant 1, respectively, as required by the Accountant-General in his circular, No. 8 (Local Fund Department), dated 6th November 1897.

27. (*d*) *Tools and Plant.*—Rs. 1,500 are provided under this head against Rs. 1,000 allotted for the current year. The increase is due to the current year's provision having been reduced in reference to the large number purchased in 1896–97.

28. (*e*) *Contingencies.*—A sum of Rs. 8,150 is provided under this head against an allotment of Rs. 7,880 in the current year. The increase is due to the enhanced provision for (1) travelling allowance of overseers and clerks and servants, (2) conveyance of office records, and (3) law charges. The following are the details under this head :—

	Rs.
Travelling allowance to the Engineer	
" " to Supervisor and Assistant Engineer	1,600
" " to Overseers (nine at Rs. 15 and one at Rs. 20).	1,600
" " to Clerks and servants	1,860

Advertisement charges	30
Conveyance of office records	120
Furniture	50
Law charges	100
Sundries	270
Total ..	2,450
Grand Total ..	8,150

The provision under " Sundries " includes the cost of purchasing the following books :—

(1) Fifteen copies of the revised " Local Fund Public Works Code and Account and Audit Rules."
(2) One office clock at a cost of Rs. 16.

29. The total allotment for the engineering establishment and contingencies amounts to Rs. 32,300 or 20·4 per cent. of the proposed outlay on works, including the lump provision for incomplete works (Rs. 1,58,200), against the maximum of 20 per cent. prescribed by Government.

30. The total provision under Grant 1 amounts to Rs. 1,93,100 and is 51·6 per cent. of the estimated receipts of the year.

31. *Grant 2, Education*—(*a*) *Inspection.*—Rs. 4,850 are provided under this head as in the current year. The proposal of the educational officers to grade the pay of the inspecting schoolmasters has not been adopted for want of funds.

32. (*c*) *Sessional Schools.*—A sum of Rs. 1,200 is provided, as in the current year, for maintaining a school throughout the year. The suggestion to increase the number of sessional schools contained in paragraph 4 (2) of G.O., No. 1780 L., dated 16th September 1897, has not been taken up for want of funds and to the high percentage of expenditure on education as it is. But every endeavour will be made to get a greater number of teachers of aided schools trained by compelling them to undergo training.

As usual, a provision of Rs. 190 is made for sending ~~the~~ Muhammadan students for training to Madras.

33. (*d*) *Secondary Schools*—(i) *Salary System.*—Rs. 13,160 are provided under this head against Rs. 13,240 in the current year. The decrease is the net result of the following changes :—

	Rs.
Excess provision under salaries of masters in the current year's budget now omitted	80
Savings effected in the provision for contingencies of the Námakkal High school	45
Abolishing the post of Hindustani munshi of the Krishnagiri school on Rs. 10	120
Total ..	245
Increasing the pay of the present headmaster of the Námakkal High school from Rs. 75 to Rs. 80 with effect from 1st October 1898 ..	30
Increasing the pay of the peon of the above school from Rs. 5 to Rs. 6	12
Pay of the Telugu munshi proposed to be employed in the Hosúr Lower Secondary school on Rs. 10 per mensem	120
Increment due to the fourth assistant of the Dharmapuri Lower Secondary school at As. 8.	6
Total ..	168
Net decrease ..	77 or 80

The proposals of the educational officers to raise the pay of the last assistant of the Rásipuram school from Rs. 6 to Rs. 7, to increase the pay of the gymnastic instructor of the Námakkal High school from Rs. 8 to Rs. 10, and to raise the pay of the fourth assistant of the Tiruchengódu school from Rs. 10 to Rs. 12 are reported by the respective taluk boards to have not been adopted as unnecessary. The Director's suggestion on the current year's budget, referred to in paragraph 4 (3) of G.O., No. 278 L., dated 11th February 1897, was referred to the educational officers to suggest means of employing a drawingmaster to the Námakkal High school without extra cost to the board. They appear to have suggested the substitution of a drawingmaster for the carpentrymaster, but the Taluk Board President reports that the proposal would involve additional cost and that the Director as also the people of the town are not in favour of it.

34. (ii) *Salary-result System.*—Rs. 1,700 are provided under this head against Rs. 2,840 in the current year. The proposal of the Námakkal Taluk Board to reduce the Shendamangalam school to the primary grade in reference to the remarks of Government contained in paragraph 4 (2) of G.O., No. 1780 L., dated 16th September 1897, and that of the Hosúr Taluk Board to increase the pay of the gymnastic instructor of the Denkanikóta school from Rs. 5 to Rs. 6 are accepted. The proposal of the Salem Taluk Board to raise the pay of the peon of the Atur Hindustani school from Rs. 4 to Rs. 5 has not been adopted as unnecessary.

35. (*e*) *Elementary Schools*—(i) *Salary System.*—Rs. 1,030 are provided under this head against Rs. 920 in the current year's budget. The increase is due to the proposal of employing a separate gymnastic instructor on Rs. 8 for the Námakkal boys' school and of increasing the pay of the peon of the same school from Rs. 3 to Rs. 4 ~~are~~ recommended by the educational officers.

36. (ii) *Salary-result System.*—The total provision under this head is Rs. 40,890 against Rs. 39,890 in the current year's budget. The difference is chiefly due to the following :—

Salem Taluk Board.—The proposals of the taluk board to abolish the Othyathur school with effect from the commencement of the current official year on account of its poor strength, to transfer the Pension Lines Hindustani school to the Salem Municipality owing to the extension of its limits, and to revise the scales of (1) Atur (Hindustani), (2) Oduvankurichi and (3) Ethapur schools at a total reduced cost of Rs. 20, are accepted.

Námakkal Taluk Board.—The proposals of the Námakkal Taluk Board to close the schools at (1) Pallipoliem and (2) Kattupoliem on account of their poor strength and to revise the scales of (1) Thathiengarpett, (2) Sankaridrug, (3) Komarapoliem, (4) Edappadi and (5) Shendamangalam (Hindustani) schools at a total increased cost of Rs. 220 to be met from the savings effected by reducing the Shendamangalam secondary school on the salary-result system to the primary grade are approved.

Hosúr Taluk Board.—The Hindu schools at (1) Madivalam, (2) Muthali, (3) Kundukota and (4) Pannandur, and the Hindustani schools at Shulagiri and Bagalur have been abolished in the current year as the average attendance was below twenty, and the Hindu school at Athimugam and the Hindustani schools at Thalli, Dowlatabad and Kottur will also be closed from the beginning of the next official year for the same reason. The savings thus effected are proposed to be partly utilized in revising the scales of (1) Mathigiri, (2) Bagalur, (3) Krishnagiri, (4) Shulagiri, (5) Hosúr and (6) Denkanikóta (Hindustani) schools as recommended by the educational officers.

Tiruppattúr Taluk Board.—The schools at Pudupet and Athigarapatti have been transferred from the beginning of the current official year to Mullukummai and Pallipatti, respectively, on account of their poor strengths. For the same reason the school at Nattam is proposed to be closed and to utilize the savings thus effected for opening a Panchama school at Jalarpet as recommended by the educational officers. The taluk board's further proposal to revise the scale of the Nattrampalli school at an increased cost of Rs. 80, with effect from the current official year, is accepted.

37. (*f*) *Grant-in-aid.*—Rs. 7,300 are provided under this head against Rs. 7,310 in the current year.

38. (*h*) *Miscellaneous.*—The usual provision of Rs. 1,000 for the purchase of books has been repeated, as the current year's provision was specially reduced to Rs. 500 in reference to the large number purchased at the close of 1896–97.

39. The total estimate under Grant 2 is Rs. 71,470 and is 19 per cent. of the estimated receipts of the year.

40. *Grant 3, Medical Services, Vaccination and Sanitation*—(*a*) *Hospitals and Dispensaries*—(ii) *Medical Subordinates.*—Rs. 19,280 are provided under this head against Rs. 19,340 in the current year's budget. The increase is due to the following causes :—

	Rs.
(1) Enhanced provision for the first-class hospital assistant for the Shendamangalam dispensary instead of a second-class hospital assistant	+ 210
(2) Enhanced provision for the grade pay of the first-class civil apothecary at Krishnagiri for the whole year instead of only for a portion in the current year	+ 65
(3) Enhanced provision for the grade pay of the second-class hospital assistant at Pennagaram for the whole year instead of only for a portion in the current year	+ 26
(4) Carriage allowance of the Salem and Tiruppattúr lady apothecaries hitherto erroneously provided under salaries of medical subordinates instead of under contingencies now omitted ..	— 360
Total ..	—61
	or 60

The proposal of the Salem Taluk Board to convert the Rásipuram dispensary into a hospital and to open a fresh dispensary at Ethapur has not been adopted for want of funds.

(iii) *Clerks and Servants.*—Rs. 3,710 are provided against Rs. 3,580 in the current year. It is proposed to entertain a compounder on Rs. 9 in the Tiruchengódu hospital and to increase the pay of the warders attached to the Denkanikóta and Alangayam dispensaries by one rupee each.

The proposal of the District Medical and Sanitary Officer to entertain a female compounder on Rs. 9 in each of the children and women's dispensaries at Salem and Tiruppattúr has not been adopted for want of funds.

(v) *Medicines and Surgical Instruments.*—The slight increase of Rs. 100 is due to the current year's provision for the Rásipuram dispensary being found inadequate.

(xii) *House-rent to Hospital Assistants.*—The increase is due to the following causes :—

	Rs.
(1) Provision for the present hospital assistant at Shendamangalam who is entitled to the house-rent	36
(2) Enhanced provision for the present hospital assistant at Denkanikóta	15
(3) Enhanced provision for the present hospital assistant at Royacottah	15
(4) Enhanced provision for the present hospital assistant at Palakodu .	6
(5) Provision for the Salem ~~lady~~ apothecary now vacant owing to the difficulty of procuring a hand for the place on account of the inadequate pay of Rs. 50 + 25 and the costly living at Salem ..	120
Total ..	192
or	200

Free quarters have been provided for the Yercaud hospital assistant and the others are given house-rent in lieu of free quarters. The question of constructing quarters for the other hospital assistants has not been taken up for want of funds.

(xiii) & (xiv) *Contingencies and Miscellaneous.*—The increase under this head is chiefly due to the carriage allowance of the ~~lady~~ apothecaries being transferred to this head from medical subordinates as required by the audit office. This includes the cost of purchasing the following books and periodicals :—

District Board.

(1) One copy of "British Pharmacopœia" for the children and women's dispensary at Tiruppattúr.
(2) One copy of the "Lancet."
(3) One copy of the "Indian Medical Journal."
(4) One copy of quarterly "Braithwaite's Retrospect of Medicine."

Salem Taluk Board.

(1) Four copies of "Indian Pharmacopœia."
(2) Four copies of "Madras Nursing Manual."

41. (*b*) *Vaccination.*—Rs. 10,900 are provided under this head as usual.

42. (*c*) *Sanitation.*—Rs. 36,100 are provided under this head against Rs. 32,250 in the current year's budget. The increase under all items is due chiefly to enhanced provision made for the unions where increased income under house-tax is expected. The proposals of the Salem and Námakkal Taluk Boards—

(1) to entertain a watcher on Rs. 4 for the Naugavalli tank with effect from the current official year;

(2) to employ an additional watcher on Rs. 4 for the Atur river; and

(3) to entertain an additional watcher on Rs. 4 for the Kamalalayam tank feeder channel, are accepted. The rest of the changes proposed in the scales of sanitary establishments are not enumerated here as under G.O., No. 1892 L., dated 1st October 1897, the local boards can employ them without the sanction of Government and debit the charges to "Contingencies" as the whole time of the local fund sweepers and scavengers is not given to local fund service.

43. (*d*) *Contributions to*—(i) *Provincial Services.*—The estimate under sanitary inspection and reserve medical staff is fixed with reference to the actuals for 1896–97.

(iii) *Municipalities.*—As in the current year, Rs. 1,200 are provided for payment from the district fund to the Salem Municipality, Rs. 1,100 towards the cost of maintaining hospitals, and Rs. 100 for the lying-in ward. Rs. 1,100 provided under

taluk funds represent the usual condition payable to the Tiruppattúr and Vániyambádi Municipalities by the taluk board towards the upkeep of the hospitals maintained by them.

44. The total provision under Grant 3 amounts to Rs. 88,380 and is 23·6 per cent. of the estimated receipts of the year.

45. *Grant 4, Public and Charitable Institutions*—(*a*) *Markets.*—Rs. 880 are provided under this head against Rs. 440 in the current year. The increase is due to the provision made by the Námakkal Taluk Board for employing watchers for eight more markets to clean them in the mornings and to plant shade-giving trees in them and to the enhanced provision made by the same board under contingencies of the Mohamur market, being the amount payable to the Forest department for the lease of the Government topes at that place used as market-site.

46. (*b*) *Choultries.*—The decrease under this head is due chiefly to the reduced provision made for contingencies of the choultries under the Námakkal Taluk Board in reference to the actuals of 1896–97.

47. (*d*) *Contributions to*—(ii) *Other District Boards.*—The usual provision of Rs. 30 is made for payment to the Coimbatore District Board towards the cost of lighting Cauvery bridge at Komarapoliem.

(iii) *Municipalities.*—As usual, Rs. 200 are provided on account of the contribution payable to the Salem Municipality towards the cost of maintaining the poor house.

48. (*e*) *Miscellaneous*—(iii) *Lighting Charges.*—Rs. 2,060 are provided under this head as in the current year. The proposals of the Salem and Hosúr Taluk Boards to incur increased expenditure under this head are disallowed as unnecessary.

(iv) *Miscellaneous.*—Rs. 50 are provided on account of maintaining waterpandals during the hot weather at places to be determined by the Salem and Hosúr Taluk Boards.

49. The total provision under Grant 4 amounts to Rs. 4,740 and is 1·3 per cent. of the estimated receipts of the year.

50. *Grant 5, Supervision and Management*—(*a*) (i) *Controlling Establishment at the Presidency.*—Intimation from the Accountant-General as to the percentage at which the provision under this head is to be made not having been received, the current year's figure is repeated.

(ii) *Printing work done at the Government Press.*—Rs. 600 are provided under this head with reference to the actuals of 1896–97.

51. (*b*) *Establishment in the Collector's Office*—(i) *Audit.*—Rs. 2,220 are provided under this head against Rs. 1,980 in the current year's budget. The increase is due to the provision made for the additional audit clerk's pay for the whole year instead of only eleven months in the current year and to the enhanced provision made for travelling allowance owing to the current year's provision being found inadequate.

(ii) *Accounts.*—Rs. 80 are provided in excess of the current year's figure to entertain an attender on Rs. 7 per mensem. Till December 1895 the papers relating to the Local Fund Account Branch were indexed and despatched in the Provincial Account Branch and under Board's Proceedings, No. 361, dated 4th October 1895, the despatching work was separated from January 1896 and consequently separate registers are being maintained. Under the orders of the late Treasury Deputy Collector, the services of the attender attached to the Local Fund Audit Branch were being utilized to the end of 1896–97 for menial works such as ruling statements, preparing covers, &c., but from the current official year the attender of the audit branch is required to accompany the audit clerk on inspection duty for about 26 days in a month. His services cannot, therefore, be utilized by the account branch as hitherto, and hence the necessity for a separate attender.

The provision under contingencies includes the cost of purchasing the following books :—

(1) One copy of the revised edition of the Civil Service Regulations with correction slips.

(2) One copy of the Civil Account Code with correction slips.
(3) One copy of the revised Local Fund Public Works Code and Local Fund Account and Audit Rules if published.

52. (*c*) *Local Boards' Offices*—(i) *Establishments.*—The increase under this head includes the provision for (1) an increase of Rs. 5 including pensionary contribution to the fourth clerk on Rs. 15 in the District Board's office, (2) a clerk on Rs. 12 and a bill-collector on Rs. 7 for the Yercaud Union, (3) a third clerk on Rs. 10 for the Hosúr Taluk Board's office, (4) an increase of Rs. 4 including pensionary contribution to the present second clerk on Rs. 10 in the Tiruppattúr Taluk Board's office, (5) two peons on Rs. 7 each for the Salem and Námakkal Taluk Boards' offices, (6) a clerk on Rs. 9 and a bill-collector on Rs. 4 for the newly sanctioned Namagiripet Union and an increase of Rs. 2 to each of the clerks of the Atur and Rasipur Unions where work is heavy and (7) an increase of Re. 1 to each of the clerks of Denkanikóta and Kaveripatnam Unions.

The district board is satisfied with the increased work in the district board's office as explained in the current year's budget and has resolved to strengthen it by adding the temporary hand on Rs. 15 sanctioned in the current year to the permanent list and by increasing the pay of the present fourth clerk from Rs. 15 to Rs. 20. The present and the proposed scale for the district board's office as approved by the board will be as under:—

Present Scale.		Proposed Scale.	
	Rs.		Rs.
One Head clerk	70	One Head clerk	70
One second ,, ...	35	One second ,, ...	35
One third ,, ...	25	One third ,, ...	25
One fourth ,, ...	15	One fourth ,, ...	20
One fifth ,, (temporary) ..	15	One fifth ,, (permanent)	15
One muchi	10	One muchi	10
One peon	8	One peon	8
One ,, ...	7	One ,, ...	7
Total ..	185	Total ..	190

The Hosúr Taluk Board's office is equally heavy in point of work with the Salem Taluk Board's office for which a third clerk on Rs. 10 was sanctioned in the current year's budget. It is therefore proposed to strengthen it by adding another clerk on Rs. 10.

The Tiruppattúr Taluk Board President considers that the nature and amount of work done by his office is similar to that of the other taluk boards' offices and that the second clerk of his office is paid only Rs. 10 while the clerks in the other taluk boards' offices are paid Rs. 15. He therefore proposes to increase the pay of his second clerk to Rs. 14 instead of Rs. 15, the present incumbent being an unpassed candidate.

The Salem and Námakkal Taluk Boards' Presidents propose employing a peon on Rs. 7 on account of the difficulty of obtaining the services of the revenue peons for local fund work which has of late increased heavily.

The proposal of the Hosúr Taluk Board President to increase the pay of the taluk board head clerk from Rs. 25 to Rs. 30 or to grant a personal allowance of Rs. 5 to the present incumbent in consideration of his exceptionally good work is not adopted as the man was promoted from Rs. 20 to Rs. 25 only in April 1897.

54. *Balance.*—Deducting Rs. 3,87,260, the estimated total charges under the several grants, from Rs. 4,27,600, the estimated total assets of the year, a balance of Rs. 40,340 is left, of which Rs. 22,490 appertain to the union and endowment funds. The amount available for general purposes is thus reduced to Rs. 17,850 as detailed in the margin, which is 5 per cent. of the receipts excluding opening balance and endowment receipts.

2. The current receipts and charges are now estimated at Rs 393,620 and Rs 407,450 respectively, against Rs 365,290 and Rs 370,680 in the sanctioned budget. The increase in the receipts occurs chiefly under tolls, house tax, avenues and miscellaneous debt accounts and that in the charges appears mainly under grants 1 and 5, and miscellaneous debt accounts. The additions and alterations in the Educational, Sanitary and bungalow establishments, referred to in para 8 of the President's letter, are sanctioned.

Budget Estimate for 1898-99

3. The receipts for the ensuing year are placed at Rs 374,530 against Rs 393,620 in the revised estimate, the decrease being mainly under tolls and miscellaneous debt accounts.

4 Charges (1) The Charges are
put down at Rs 387,260 against
Rs 407,450 in the revised estim-
ate, the decrease appearing
chiefly under Grant 1 and miscellaneous debt accounts and being
partly counter balanced by an
increase under Grant 3.

(2) Grant 1 The provision
made for the Local Fund En-
gineering establishment is
slightly in excess of the limit
prescribed by Government.
~~It is hoped that this will not be

cordance with the scale recom-
mended in para 5 of GI
