Resolution

The Chairman should
 address the Government to
 the effect that as the Conservancy
 Establishment consists of low
 paid servants and as the
 prices of food grains continued to
 be high till the end of October,
 the Council granted the famine
 Batta at 1 Rupee per head till the
 end of October and reduced it to
 annas 8 for the succeeding 2 months.
 The Council once more recommends
 for the favorable consideration
 of Govt the grant of the famine Batta
 till the end of December.

Through The Collector Vizagapatam

Sir,

With reference to G. O. No.
1435 M. M. dated 15-8-98, I have the
honour to submit that the menial servants
of the Conservancy Establishment are
generally poor and ill paid, that their
earnings were not such as would
suffice to meet the high prices of
food grains which were prevailing
during the period when famine
batta was paid, and that the
recovery of the allowance, would,

in the humble opinion of the Council,
work very heavily on them and is
almost impracticable.

2. In this connection, I beg to represent
that on the 6th July 1897, these people
struck work demanding an increase
of pay on account of famine and
did not resume their duties until
the Council promised that they would
be paid famine batta as long as the
famine continued. The Council could
not have exercised the powers vested
in it by Section 282 A (2) since there
were no men available either
in the town or in the neighbourhood
to replace them.

3. In these circumstances I am
directed by the Council to submit
once more for the favourable con-
sideration and orders of Government,
the grant of famine batta to the
menial servants of the Conservancy
Staff till the end of December 1897.

I have the honor to be
Sir,
Your most obedient servant
Mushniawan
