Sir,

With reference to Government Memorandum No 436 dated 14th April 1898, I have the honor to report as follows:-

2. Para 1. The "three seats" proposed in my letter Dis. No 103/Eng of 98 dated 19th January 1898 is a mistake for "four seats to each of the two wards" and this had been already brought ✗ to notice in my endorsement G.B. No. 126/Eng of 98 dated 18th March 1898 forwarding Chicacole Chairman's letter No. 197 dated 9th March 1898 soliciting issue of election rules.

Lodged
Cur 1108/98
✗ No reference was made therein to this point.

3. Para 2. The sketch map is herewith resubmitted with the survey numbers forming the boundaries of wards marked in it.

4. Para 3. The Chairman of the Chicacole Municipality reports that the village of Arasavilly forms a portion of the Municipality. From the map it

w

would appear that Arasavilly has been left out of the limits of the Municipality, but the Chairman states that it is included. He has been asked to explain this.

5. I regret for the delay in the submission of this reply which however is due to not receiving the required information from the Chairman earlier than the 5th instant.

Sir,

Referring to your letter No. nil dated 4th July 1898 I have the honor to state that there are several fields between Arasavilli and Pata Chicacole which are not included in the Municipality.

2. When Arasavilli was added to the Chicacole Municipality, on sanitary grounds, the fields were excluded from the Municipality.

3. The map of Arasavilli was forwarded with my letter No. 504 of 28th June 1898, and the survey numbers that are within the Municipality were marked in red pencil therein.

4. It would have been more convenient had Arasavilli been made a separate ward but it being an agricultural village there is no sufficient number of candidates or
