Re: the collection
of malabars

Sir,

I have the honor to forward herewith copy of a resolution of the Municipal Council passed at a meeting held on the 12th instant, sanctioning the reorganization of the Sanitary establishment in the Calicut Municipality and to request that you will be good enough to obtain Government sanction for effecting the proposed scheme.

2. The existing Sanitary establishment consists of one Sanitary Inspector on Rs 50 + 15, 3 assistant Sanitary Inspectors on Rs 20/ each, and one assistant

Sanitary

Sanitary Inspector on Rs 15/ while there is a provision for one Sanitary Inspector on Rs 50+15 and 4 assistant Sanitary Inspectors on Rs 20/ each in the budget for 98-99.

It is now proposed to have one Sanitary Inspector on Rs 60+15, 3 assistant Sanitary Inspectors on Rs 25, 20, and 15 respectively and one Scavenging fee collector on Rs 10/ per mensem. This proposal does not involve any additional cost to the Council.

At present the Assistant Sanitary Inspectors collect scavenging fees to the prejudice of their legitimate work and not satisfactorily as there are large arrears. They will be relieved of this work as soon as a scavenging fee collector is appointed. The latter will be required to give a cash security of Rs 100/.

As the collection of scavenging fees

fees now shows a surplus which will continue to improve as more houses are brought under the system, proposals will be submitted for paying the bill collector from this source and utilizing the savings towards improving the position of the Assistant Sanitary Inspectors when passed men are forward to take up the appointments.

The usual proposition statement for revision of establishment is herewith submitted.

I have the honor to be,
Sir,
