Thru: The Sub Collector of Malabar

Sir, I have the honour to submit herewith a proposition statement for the entertainment of temporary hands in the Collection establishment as sanctioned by the Council. It is proposed to appoint three clerks, one on Rs 15 per mensem and the other two on Rs 7 1/2 each per mensem and two bill collectors on Rs 7 each per mensem, for the remaining 5 months of the year. The allotment required is Rs 180 in round numbers being their salary payable for 4 months within the current year - Provision for the remaining one month will be made in the Budget for 1899/1900.

2 The necessity for submitting the proposal is occasioned by the great difficulty

experienced in the collection of arrear & current taxes and by the large increase in the office work. The main grounds for the proposal are:-

(1) Nearly $\frac{1}{3}$ of the assessments stand in the names of deceased persons without any steps having been taken to insert the names of their successors in the registers and issue processes accordingly

(2) Several assessments still stand in the names of persons who have transferred their right to others

(3) The registers are prepared, not in the order of localities & of the properties belonging to each owner, but in the alphabetical order of names

(4) There is not sufficient information in the registers necessary to easily identify the properties & find out their owners or occupiers

(5) The amendments ordered by the Chairman & the Council from time to time have not been noted in the registers.

(6) There are numerous errors of orthography in the names written in English, thus giving rise to difficulties in the way of finding out the proper parties

(7) There is nothing in the Counterfoils of bills to show when, by whom, and how the bills were served, thus causing necessity

note
this unsatisfac-
-tory state of affairs
was due to the in-
-efficiency of the

for fresh bills & notices in numerous cases-

3) I beg to submit that the above defects and omissions not only cause great delay and difficulty in the execution of processes and collecting the arrears, but enormously increase the office work by numerous ~~prope~~ profferts and petitions put in by parties and much more by reports & endorsements having to be made on the bills and warrants by the bill collector

4) I beg to add that as the general revision of the house & land taxes has just been completed, the assessment and demand registers have to be prepared and numerous notices issued. As the office establishment can hardly do the ordinary work which is ever on the increase, it is indispensable to employ extra hands for the additional work

5. I therefore earnestly request that Government will be pleased to accord their sanction to the proposal.

I have the honour to be,

Sir,

Your most obedient servant,
