SUBJECT.

Submitting the statement called for a/c No 2031 Rly.

22nd October 1898.

The municipal Council should reserve in addition to the unexpended balance of Rs 297 in the provision for epidemic charges, the sum of Rs 100 allotted for the construction of two culverts in Chinnambakara street for expenditure on plague preventive measures in the current year. The necessary provision should be made in the Revised Estimate.

P.S.R. 16/11/98

17/11

Note. The estimate of plague expenditure in the municipalities in the Chingleput district is Rs 950, of which the portion debitable to Chingleput is Rs 196. But advantage has been taken of this opportunity to reserve a larger sum as, if plague should break out, a very large expenditure will be necessary.
