Dated, the 16 September 1898.

No. 357 641

FROM

E. L. Chatter Esquire M. B. S. N.
CHAIRMAN, MUNICIPAL COUNCIL,
ANANTAPUR.

TO

The Secretary to Government
Local and Municipal Department
Fort Saint George.

Through

the collector of
Anantapur.
and the Revenue Divisional officers, Anantapur.

Sir,

For want of a regular drainage system, the practice in vogue in this town from time immemorial has been to sink cesspools and connect them with a drain from a central place where the sewage water collects and flows into them.

2. Almost every house has two or more such pools attached to it, of which nearly 90 per-cent are in the public road. --

A question having arisen as to whether such an occupation of public land would not create, according to the civil law, a right to the owner of the house to that portion of land, it has been decided by the Council that, to retain its right to such land, a nominal rent of Rs. 0-1-0 per annum

annum per cesspool, located in a public land,
should be levied, irrespective of its dimensions.

I have the honor to request that you
will be pleased to obtain the sanction of
Government for the same.

A copy of the Council's resolution is herewith submitted.

I have the honor to be

Sir

Your most obedient servant

Submitted.

The rent is, in my opinion, too low.

Submitted to the Secretary

Madras.

The nominal tax of one anna proposed by the municipality is
adequate for retaining its right to the land.
