Enclosure No. 1 to Letter No. 460 4/8. 11/2
 Copy of the Explanation from the 1st Class Hospital
 assistant, Lumbator to the Acting District Medical
 & Sanitary Officer, Lumbator No. _____
 dated 2nd September 1898.

With reference to your memo dt. 30.9.98 dated 19
 subdgo I beg to state that all the non-protected
 vaccination children were vaccinated by the Municipal
 vaccinator in accordance with Compulsory vaccination
 act in the town. I on several occasions requested
 the Municipal vaccinator to spare a few children to be
 vaccinated by me. They stated that they are unable
 to give cases of vaccination for me and that they
 should vaccinate all cases in accordance with the
 birth register.

Therefore I can hardly get cases for vaccination
 in the town and further I am the only medical
 subordinate attached to this institution and
 have to perform miscellaneous duties in the Hospital
 and there is no time to go to the villages to perform
 vaccination.

I request that you will be good enough to issue
 order to the Municipal vaccinator to spare a few
 cases for vaccination for the future years.

I also observe that the G.O. dt. ¹⁰⁶⁶ 1016 dated 9th May
 1892 states that the vaccination by medical subordinates
 is optional.
