From

The P.W. Dept.

Railway Branch

For Orders

Please see G.O. No 848 P.
of 10-8-98 and the Colli's letter
in G.O. No 1057 P of 13-8-98.

The inspection staff is limited,
the time taken up for inspection
must vary with the number of
passengers in the train. It seems
undesirable to fix a limit as regards
the time the medical officer is not
likely to detain the train longer than
absolutely necessary.

FURTHER PAPERS.

No.	Date.

Copy of letter No. 3606, dated 13th September 1898,
from the Consulting Engineer to the Government
of India for Railways, Calcutta, to the Consult-
ing Engineer for Railways, Bombay.

In reply to your letter No. 10710 dated 9th
September 1898, I have the honour to inform
you that the average time taken for plague in-
spections at Chausa and other stations on the
East India Railway is 15 and 30 minutes re-
spectively for mail and passenger trains.

P. W. DEPARTMENT, RAILWAY BRANCH:

Bombay Castle, 24 September 1898.

Bellary Collector's Office.

Reg. No.

27 OCT. 1898

The Joint Secretary to the Government

of Madras, Public Works Department,

(Railway Branch).

Sir -

In continuation of my letter No ⁴248 dated 9th, instant, I am directed to forward, for the information of the Government of Madras, the accompanying copy of a letter from the Consulting Engineer to the Government of India for Railways, Calcutta, No 3606, dated 13th instant shewing the average time taken for plague inspection at ^{Lhansa} Ghusa and other stations on the E.I. Railway.

2. In view of this information, I am to express the hope that His Excellency the Governor of Madras in council may be pleased to consider whether it is not feasible to lessen the delay at present caused by the plague inspection at Hospet; please see my No 2115 of the 2nd August 1898 and enclosures.

I have the honour to be

Sir

Your most obedient servant

J. Willcox

Under Secretary to Government
