CURRENT No. 322/M

The Secretary to Government
Local & Municipal Department
Fort St. George Madras.

Sir,

With reference to G.O. no 1340 M dated 27th July 98
reviewing the Administration report for 97-98. I
have the honor to submit the following explanation.
The revision of House and Land Tax registers was
completed by the end of June, and the revised assessments
were brought into force. More than half the amount
has been collected.

2. In para 28 of the report it was stated that the number
of cases detected under sections 221 & 222 of the District
Municipalities Act, was 200 and the number of cases
convicted was 200 with regard to the extension of the
Private Scavenging System. I beg to say that the
fees have since been increased.

3. ^{The steps taken to extend} ~~To increase~~ the Private Scavenging Service, proved
ineffectual on the part of the Council for the
following reasons.

4. All the latrines of those that afford to keep them are
within the Municipal Service. The others cannot
afford to have the latrines, as their houses are so
constructed as to have no compound & these will
resort to public latrines and such persons as
whose houses nuisance is found are being prosecuted
according to Sec 221 of the District Municipalities Act.

5. With regards sanitation, much has been done and more will be taken to improve the sanitation of the town in future as directed by the Government. The other remarks made by Government in Para 5 will be promptly obeyed.

I have the honor to be,
Sir,

Your most obedient servant

W. H. Lachlan
Chairman, M. C.
