From

THE CHAIRMAN,

MUNICIPAL COUNCIL,

LOCAL & MUNICIPAL DEPT.

CURRENT No. 3459

To

The Secretary to Government

Local and Municipal Department

Fort Saint George

SIR,

(Through the collector of Kurnool.)

Mr
submit it
mm

With reference to Government
Order No 1810 M. dated 22nd October 1898
and received by me on the 5th instant,
directing me to report regarding the
progress made in the revision of the
house tax registers in the current
year, I have the honour to submit
that clause (1) of para 3 of Govern-
ment Order No 1404 M. dated 11th
August 1898, reviewing the admin-
istration report of the Kurnool
Municipal Council for 1898-99
requires that the house tax registers
should be revised at an early
date so as to raise the incidence of

the

the house tax without any reference
to the current year. In the current
year however the house tax has
been raised by $\frac{1}{2}$ per cent and is
now being levied at the rate of 8
per cent on the annual rental value
of buildings against $7\frac{1}{2}$ per cent
in 1897-98. On this account and by
a revision in the registers the demand
under this tax has risen from
Rs 8297-0-8 in 1897-98 to Rs 8926-15-2
in the current year, thus increasing
the incidence.

2. I may be permitted to add
that the new Secretary is now engaged
in the work of revising the registers
so as to be in a position to com-
plete the same in time before
the bills are issued for the next
financial year and to increase
the revenue under this head as

far

the house tax without any reference
to the current year. In the current
year however the house tax has
been raised by $\frac{1}{2}$ per cent and is
now being levied at the rate of 8
per cent on the annual rental value
of buildings against $7\frac{1}{2}$ per cent
in 1897-98. On this account and by
a revision in the registers the demand
under this tax has risen from
Rs 8297-0-8 in 1897-98 to Rs 8926-15-2
in the current year, thus increasing
the incidence.
