Madras

SIR,

Enclosures.

I have the honour to report that
as Plague has increased in Bangalore
people have, of late, been found rushing
into this district for fear of the plague.

See the imported cases that have occurred
here were imported from Bangalore and
I am afraid that there would be many
more outbreaks ~~are~~ long if necessary -
and efficient steps are not taken.
Captain Robertson I. M. S., the Dist Medical
and Sanitary officer thinks that the time
is now ripe for the opening of Road Frontier
Inspection Stations. I agree with him
