Secretary to Government,

LOCAL & MUNICIPAL DEPARTMENT

CURRENT No. 3571

SIR,

With reference to G. O. No. 20312 dated 22nd Oct 1898, I have the honor to submit herewith a statement in the form appended thereto, showing the works for which provision has been made in the Budget and the expenditure incurred thereon up to date, with the following remarks:—

2. The increased expenditure was incurred under Repairs & Communications, in view to hasten the completion of the regravelling of Pattamangalam Street—an important road leading to the several public offices in the town. The amount originally provided for gravel roads was deemed sufficient to meet the cost of regravelling about three-fourths of the Pattamangalam Street. In consideration of the bad state of the

3571/m/98

road, the Council resolved to complete the regravelling of the whole road by transferring Rs 340 from the unallotted closing balance.

3. Repairs Building: A sum of Rs 290 has been spent over and above the allotment (Rs 120). On subsequent to the submission of the Budget, it was found that the Municipal Office building was so very weak that it threatened to fall down. -vide para 2 of the Sub. Mayor's remarks embodied in C.O. no 482-M dated 2nd March '90. In order to avoid the expenditure of an enormous sum in its reconstruction, the Council thought it advisable to take up the repairing of the whole Office building at once, which has now been done. 7 movable Corrugated iron last built were purchased at the Vegetable Market shed, the shed in the Court yard of the Primary School and a few other small dry repairs have caused the above increase.

4. Besides the above items, a

Sum of Rs 150 has been spent in excess of the Budget allotment under 'Office Contingencies', the increase having been caused by payment in the year current, of the cost of printed forms supplied from the Lawrence Asylum Press during the past year. The amount could not be paid within that year as when the bill was received, the Budget allotment was almost utilized.

5. The unexpended allotment under other items in the Statement are required for expenditure in the current year.

I have the honor to be
Sir,
Your most obedient servant

J. S. S. S. S. S.
Chairman.
