From
E. L. Chakrabarty, M.P.
CHAIRMAN, MUNICIPAL COUNCIL,
ANANTAPUR.

To
The Secretary to Government,
Local & Municipal Department,
Fort St. George.

Through the Collector of Anantapur
Sir, I have the honor to submit the following for favor

of orders of Government.
In March 1898, when Government was pleased to notify
that Tazpatri (the Head Quarters of a Taluk of that name in this
District) shall be constituted a Municipality the Clerk of
this Office applied to the Collector, through the Chairman, for the
Manager's place there.

3. He was accordingly appointed as such on Rs 25 per mensem
and was, as desired by the Collector, relieved here on the 15th March
1898 to enable him to make preliminary arrangements to start
work on the 1st April, appointing a new hand for his place
here on probation for 6 months.

4. But since, owing to an unexpected change in the Circum-
stances, Government in their Order No 706 M Mis: dated 18th
April 1898 postponed the final constitution of the said place
a Municipality and the Collector thereupon ordered the Clerk
to revert to his appointment here.

5. The Clerk reported himself to the Chairman on the 10th April
but the Chairman was of opinion that he had no right to
appointment.

appointment as he had not been granted a him on it, nor spared for the new appointment otherwise than at his own request. But he considered at the same time that while on the one hand it was hard on the man to be left unprovided, on the other, it was equally hard on the substitute to dispen-
his services without at least giving him sufficient notice having regard to the expense and trouble he was put to as an outsider to journey a long distance and pay a cash security of Rs 100/-.

6. The Clerk was, however, taken back into service on 18th May 1878.

7. He applied to the Collector for his pay for the period he was out of employment here and that Officer referred the matter to the Accountant-General who expressed his opinion that for the actual period he was at Tadpatri he might be paid out of Union funds and questioned with reference to the period from 10th to 30th April as to how a substitute had been appointed here previously when he had not been confirmed in the new appointment.

8. In this connection it must be submitted that the Collector's order that the clerk was appointed as Head Clerk of the Tadpatri Municipality was, as it should be, in the absence of any qualifying clause, that his appointment was permanent and, in fact, it must have been the case but for the unforeseen change of the Municipality itself not having been brought into existence.

9. Notwithstanding, a substitute would have been taken ~~on~~ ^{temporarily} but for paucity of competent men coming forward to take up a non-pensionable appointment, paying

paying up a cash security of Rs 100/- for an uncertain period - which may be so short as not worth the trouble and expense.

10. The Subject was placed before the Council for disposal and it was resolved that the entire facts of the case should be reported to Government and their decision carried out, in regard to the payment of the Clerk's salary for the period under reference.

Sir,
Your most obedient servant,
