For President

21.1.98

Sir,

The President of the Madura Taluk Board has proposed the construction of about 22 cross roads in the lands affected by the Pariyar Project in the Madura Taluk, and lands for the above roads are being acquired under the Act wherever such acquisition is necessary, from private owners and Government lands reserved. As it is found absolutely necessary to form the roads by raising the level both to make them passable and prevent their being encroached upon, the District Board in anticipation of the approval of Government has sanctioned the employment of 2 special overseers on Rs 50 each and 2 carters on Rs 151, temporarily, in its resolution No 151, dated 17th January 1898, copy enclosed. I have the honor to request that Government will be pleased to sanction the establishment of the establishment. A proposition statement is enclosed.

I have the honor to be
Sir
Yours most obedt servt
Brinivasathan.
