5. Read Letter Ref. on No: 1281/4. Current dated 29th September 1898 from the Collector of Salem informing that sanction of Government should be obtained for utilizing any amount from the balance.

Resolution:- Under the circumstances stated by the Collector, the Council finds that it is not feasible to appropriate anticipated surplus receipts from different sources towards plague charges, as they shall merge in the balance. It is therefore resolved to transfer Rs 1000 from

Communications (which will still leave the same sum available for the upkeep of roads as was spent last year) and appropriate the excess balance that stood over the anticipated budget estimate, such excess being Rs 830 in round sum. Further there is already an unspent balance of about Rs 350 under the provision for Cholera charges. The Sanction of Government will be applied for. It will be observed that in view of the unexpected charges for plague which have devolved on the Council and as no other sources are available such a transfer and appropriation are absolutely necessary.

THROUGH THE COLLECTOR OF SALEM and the Head Assistant Collector Tirupatur

Sir,

The Collector of Salem having in his letter Ref on No: 1281/H. Current dated 21st July last (Copy herein enclosed) suggested that a sum of Rs 1903 should be provided for plague charges by transferring from any other available heads, I have the honour to state that the Council at its meeting held on the 15th Instant resolved to allot the sum of Rs 1903 as suggested for plague charges by transferring Rs 1000 from Grant I (Public works) 2. repairs (a) Communication to utilize the unexpended sum of about Rs 350 out of Rs 500 provided under the head Grant 5(C) Cholera charges and to take out a t

Regr. No 1461/Sub of Accts Coun. 1898

of Rs 830 from the closing balance of Rs 1534-8-7 as against Rs 600 anticipated in the budget estimate of the Current year. It will be observed that in view of the unexpected charges for plague which have devolved on the Council and as no other item is available from which a large sum of Rs 1000 could be met the Council thinks that such a transfer is absolutely necessary.

A sum of Rs 3000 has been provided under Communications. The full sum may not be spent as the town roads are in a fair condition. During last year only Rs 2040 in round figure have been spent for the repairs of town roads.

I therefore request that you will be so good as to obtain sanction of Government for transferring Rs 1000 from Grant I (Public works) 2. Repairs (a) Communications to Grant III 5. Conservancy, Road Cleaning and Road watering (b) Cholera charges and to utilize a sum of Rs 830 from the balance.

2. A Copy of the Council's resolution and an application for necessary transfer of funds are submitted herewith.
