* Of this sum, Rs 2000 represents a portion of the amount required for the construction of an in-patient ward and an application for allotment of this sum was also submitted to Government for sanction with this office letter Ref on no 762 dated 15-10-98. This is an important and urgent work. Sanction may therefore be accorded to put this work in hand in the current year. The remaining minor works under "Repairs" Communications and buildings may be postponed.

Note:- Owing to the unfavourable character of the season there has been a fall in the receipts under Tolls, Slaughter house, markets &c and there is likely to be a decrease of Rs 1400 in the anticipated total receipts of the current year. The actual balance available for allotment is therefore likely to be Rs 2000 as against Rs 3393 shown in Column 6.
