Through the Subcollector and the
Collector of Chingleput Dist.

Sir,
I have the honor to state
that in its order No. 1454 M. Mis
dated 17th August 1898, Government
has sanctioned the increase
of pay and horse allowance
of the Chief Sanitary Inspector
from Rs. 20 + 10 to Rs. 35 + 15 Res-
-pectively and also the entertain-

entertainment of a peon for him on Rs. 6. Prior to the receipt of the order in question, there was a reference made to this office by the Collector enquiring how far the recommendation of the Sanitary Commissioner regarding the employment of Certificated Sanitary Inspectors had been complied with. In reply he was informed that the Sanitary Commissioner recommended the employment of two Certificated men, one on Rs. 35 + 15 and another on Rs. 20 + 15 but that there was only one certificated inspector on Rs. 20 + 10, that it was under contemplation to raise his pay to Rs. 35 + 15 and that the entertainment of a second inspector had been deferred for want of funds. The Collector then suggested that effect might be given to the increase after the entertainment of a

1913
a second inspector. The matter was placed before the Council at its meeting held on the 3rd instant and it is of the same opinion as the Collector. I therefore request that you will be so good as to obtain the sanction of Government to keep the order initially quoted in abeyance till after a second certificated Sanitary Inspector is entertained. A peon on Rs. 6 will be appointed at once.

2. The resolution of the Council on the subject is herein enclosed.

Sir,

With reference to your Endorsement No 1204 dated 20th October 1898, I have the honour to state that I am unable to agree with the Council that its resources are really at such a low ebb as they are represented to be. The extra cost entailed by my proposals is not much, and if it so elects, the Council can easily secure it. If it be found not possible to liberate the necessary funds by economizing expenditure in other directions, I would advise that the Council be called upon to show cause why the tax on buildings and lands cannot be enhanced slightly, say, by 0.5 per cent, as the proposed measure will benefit the general taxpayer. It is ^{most} ~~not~~ advisable that a Municipality where pilgrim immigration is so great should be provided with an inefficient executive sanitary staff. The present arrangement whereby no less than 4 unskilled men draw between them Rs 552 per annum is most unsatisfactory.

I have the honour to be,

Sir,

Your most obedient servant,

Lieut.-Col., I.M.S.,

Sanitary Commissioner for Madras,
