note. Column 1 of the Statement shows that a sum of Rs 6,450 has already been allotted by the Municipal Council for expenditure on plague preventive measures in the current year, but as the closing balance is only Rs 890 it is doubtful whether the Council will be able to meet it as proposed. The estimate of plague expenditure in the Municipalities in the Godavari District is Rs 5000 and of this sum the amount debitable to Ellore is only Rs 979. But as nothing certain is known about the amount sanctioned by the Council, the amounts now surrendered are also proposed to be reserved for expenditure on plague preventive measures.
