Deputy District Collector

Statement of Bangi Abdul Rahiman Saib
residing at Vaniambodi fort, before the
Revenue Inspector of Vaniambodi Fort.

The patta of the Coconut tope on the
bank of the Palas in the Amburpet mitta
stands in the name of my deceased brother
Bangi Abdul Kadir Saib. He died about
10 or 12 years ago. I do not know whether
the patta has been transferred in his son's
name. But the receipts for the payment
of assessment to the mittadar are granted
in the name of my brother Bangi Abdul
Kadir Saib. Although the patta stands
in my brother's name, it is in my enjoy-
ment for the last 30 years. The Municipality
measured a portion of it for a public
latrine. The assessment of the tope is
Rs 1-2-9 or 1-9-0, I don't remember from
the plan prepared by the Municipality.

It appears that the latrine will be constructed
in the middle of my Tope. If so, the Tope
will not be useful to me, as it will fall
into plots on the four sides. It will thereby
cause heavy loss to me. I am, therefore,
unwilling to make over to the Municipality
the site shown in the plan. I am unwilling
to give it up even if compensation be paid
to the remaining bit, as I lose a portion
of my Tope. But I am willing to part with
30 Square feet from the road to the river in
the western corner of my Tope, east of the
river and north of the road, for the
construction of a latrine. Rs 200 should
be paid for its cost. The Tope and reference
was purchased about 30 years ago,
but I do not know for what amount.

SIR,

I have the honour to submit herewith
a draft declaration under section 6 of Act
I of 1894, at the instance of the Kaniyambodi
Municipal Council, for approval and
publication in the Fort Saint George
Gazette in respect of the acquisition of
2.19 cents of land required by the Council
for constructing a latrine at Kaniyambodi.
2. The land lies in the Amburpet Mitha
village attached to the Municipality, and
the patta thereof stands in the name of
one Bangi Sahji Saib, but it is in the

Shudul Rahiman Saib. The govt is
interested in the land as it is not in his
possession, but the latter expresses his
unwillingness to part with the site
saying that it lies in the middle of
his tope. He is, however, ready to part
with a site provided it is selected in
a corner of the tope and demands Rs 200
as compensation for the site. But
from the enclosed sketch, it will be seen
that the present site lies already in the
South Western corner of the tope and
not in the middle of it as alleged by
the owner; it is well suited for a latrine
and has also been approved by the
local Medical Officer.

3. The amount of compensation

is estimated at Rs 51-6-10 which
has been sanctioned by the Council in its
