No. 781

Municipal Office
Tellicherry 26th October 189

LOCAL & MUNICIPAL DEPT
CURRENT No. 3365 M

From

M. J. Murphy Esqre
Chairman
Municipal Council

To

The Secretary to Government
Local and Municipal Department
Fort St George

Sir

With reference to Government Memorandum No 1143 dated 8th October 1898 I have the honor to explain below the discrepancies noticed in this office statements for 1897-98.

(1). The difference of Rs 237-11-2 between statements I and IV A is due to the inclusion in the former as stated in para 31 of the administration report, of Rs 216-4-* the forfeited deposits of the Tiruvangad and Chandanamaram Cartstands, Rs 20-10-8, the interest recovered on overdue Kists and Rs ..-12.6 the fees realized by this office at the Sydarpalli Cartstand which was under departmental management for 2 days but subsequently restored to the original Contractor on payment by him of the full amount of the Kists which were due prior to the said management. These 3 items do not form part of

*Rs 211-4-.. given in the report submitted is an error.

of the demand proper of the cartstands and have not therefore been included in the D. C. B statement IV. a

(2). The mode of estimating the annual rental of houses and lands in this Municipality is as follows:—

The annual rental of houses are fixed with reference to their actual rents in cases where the houses are rented out. In the other cases the rental is estimated with reference to the nature, seize, locality and other circumstances of the house. In the case of lands the rent value is fixed with reference to the actual rent wherever it was possible to ascertain it correctly. But as a rule lands are divided into 8 classes for the purposes of estimating the rental which is 1 pie per perucam (36 Sq ft) for the lowest class viz class I, 2 pies per perucam for class II and 3 pies per perucam for class III and so on.

(3) Noted.

(4). Rs 166-15-5 shown in statement I. a is correct. Column 4 of the office copy of statement II is corrected accordingly.

(5) Noted.

(6). The omission of Rs 2. 2. 1 against "advances for works &c" in the footnote to statement II has now been supplied in the office copy.

(7) The office copy of the Budget statement submitted for 1897-98 shows that the particulars of the establishment sanctioned for Mopla schools for that year under G. O. No 635. M. dated 20th March 1897 are as entered in statement II B submitted. The establishment at the close of 1896-97 was as follows:—

with the Report for 1897-98?

Teacher on Rs 7 . . 1
Do . . Rs 6 . . 2
Do . . Rs 5 . . 1
Do . . Rs 4 . . 6
Conductor . . Rs 5 . . 1
Do . . Rs 3 . . 7
Do . . Rs 2 . . 1

By the Budget proposals and the orders passed thereon (quoted above) an additional teacher was entertained on Rs 10, the pay of one of the two teachers on Rs 6 was raised to Rs 8, the pay of the 6 teachers on Rs 4 was raised to Rs 6, and the pay of the Conductor on Rs 2 was raised to Rs 3, thus reorganizing the establishment as shown below and in statement II (b) submitted:—

Teacher on Rs 10 . . 1
Do . . Rs 8 . . 1
Do . . Rs 7 . . 1
Do . . Rs 6 . . 7
Do . . Rs 5 . . 1
9 at Rs 6
Conductor . . Rs 5 . . 1
Do . . Rs 3 . . 8.

It does not therefore appear how the No. of teachers sanctioned on Rs 6 came to be shown as 9 in the Memorandum under reply, instead of 7 leaving out one teacher on Rs 7 and another on Rs 5.

The

The above establishment had however as stated in para 50 of the administration report undergone a change by an amalgamation of two of the schools as recommended by the Assistant Inspector of schools in October 1897 under which the appointment of a Conductor on Rs 3 was abolished the man being appointed to the then vacant appointment of the Conductor on Rs 5 of the other school amalgamated and the pay of the teacher on Rs 5 being raised to Rs 6. These changes were not brought into statement II B. submitted though doubtless they should have been shown therein. The necessary alterations have been made in the office copy as shown below:–

These alterations have been approved in para 4(2) of

8. Of Rs 35 shown against the Ag Manager's allowance Rs 5 is the amount of pensionary contribution paid on his behalf as required by section 40 of the Act. There was I find some misapprehension as regards the payment of the pensionary contribution. Looking to the wording of section 40 it was considered that the allowance should be paid by the Council and hence the entry of Rs 35: But that section only applies to a case where the Government servant whose services are lent draws only the pay to which he is entitled under Government service. In this case the Ag Manager draws an allowance in addition and it was my intention that he should pay the pensionary contribution out of his allowance of Rs 30 per mensem. The entry of Rs 35 may be corrected and the necessary adjustments will be made.

9. Noted. A revised V. A. statement eleminitating the cost of repairing school buildings is submitted.

10 and 11. Noted.

12. The No. of latrines as shown in statement XI is correct.

I have the honor to be,
Sir,
Your most obedient servant,
