From,

CURRENT No. 3559/16

The Secretary to Government,

Local and Municipal Department,

(Through the collector of South Arcot.) Madras.

Sir,

With reference to G.O. dated 12 September 1895, No. 146 Dn, referring to the Principal Council, for remarks, papers relating to the Water supply scheme for the town of Cuddalore, which is estimated to cost Rs. 371,200, I beg to state, for the information of Government, that my predecessor in office informs me that he endeavoured to get the public spirited gentlemen in the Municipality to come to the help of the Council to carry out scheme but that his attempts proved abortive.

2. The cost of the scheme is, as correctly surmised by Government, undoubtedly beyond the means of the Council to undertake and as the Government, I presume, will not be able to provide the whole amount required for its execution from the provincial funds, the scheme is

most

for the present, lie over.

The South Indian Railway Company
is already signified its unwillingness
to contribute towards the expenses of the
scheme, Vide G.O., No 2229 on Dis., dated
2 December 1898.

4. As it is believed that the locomotive
shop in Cuddalore Old Town will soon be closed,
there is no probability of the Railway Company
even in the distant future coming to the
assistance of the Municipality towards
carrying out the scheme.

5. I shall, however, again place
the Government Order before the Council
in the next meeting and communicate
to you, in due course, the result of their
deliberations.

I have the honor ble,
Sir,

Yours most obedient servant,
D. O. Arivu
Secretary for Fisheries.
