Thro' the Collector of the Nilgiris.

Sir,

With reference to para 2 of G.O. dated the 17th instant, no. 1741. M. Mis., I have the honor to state, that subordinates obtained from the low country, have to be watched and tried before they can be recommended for permanent employment. The delay in the case referred to in the G.O. was designed, and has caused no inconvenience to the man employed, while it has enabled the Municipality to prove that he is a suitable and reliable subordinate. Of this proof, brief mention was made in para 3 of my letter, dated the 24th September '98.

2. I may recite two recent cases to show the difficulties experienced by the Municipality in obtaining reliable subordinates.

Mr. E. J. Quigley from Bangalore, whose appointment as Sanitary Inspector for prosecutions was sanctioned in G.O. no. 385 M. Mis. dated 16th February 1898, worked pretty steadily at first, but after a short time he did so very badly, that it was deemed advisable to allow him the option of resigning his

his appointment, which he did on the 6th September 1898.

Mr. P. C. Srinivasachari B. L. from Madras, whose appointment as Head Accountant, was sanctioned in G. O. No. 556 m. mis. dated 15th March '98, applied to the President of the District Board for a vacant appointment in the Board's office. It was there discovered that he was not a B. A. but only an F. A. and his application was rejected. Upon discovering this, the man represented that he had an important ceremony to perform at Madras and obtained casual leave to proceed thither. After his arrival there, he wrote to say he had sore eyes and if further leave could not be granted his resignation of his appointment may be accepted. The resignation was accepted on the 17th instant, as the man during a service of about 8 months, had 2 months and ten days leave and put the municipal office to very considerable inconvenience.

3. The reports of appointments since the G. O. dated 1893 have (with one exception that of Mr. Quigley's which the Government desired should be sent through the Collector) been sent direct to the Government.

The same course was followed in the case of K. Pasupathy Iyer Surveyor. In future, however, the reports will be sent through the Collector, who may not always be "in a position to pass any remarks" about subordinates who come up for employment from the low country.

I have the honor to be
Sir,
Your most obedient servant,

K. Ramiah
Chairman omc.
