The peti. states as follows:-
There is a lane leading from Kokai Andri Setti Street to Mungapadi Street in Salem Town. This lane is old No 55 and registered in the name of one Batta Sahib. The peti's ancestors had converted this into a lane for affording passage to their cattle, and as such it has been in the peti's enjoyment down to this day. Some time ago one Kokai Venkatarama Setti asked the peti, and his cousins to give him this lane to be used as a back yard for his house. The peti refused to give it. Subsequent to this certainly persons

persons offered a price of Rs. 300 for the lane but as the peti. demanded that amount for his portion alone and referred them to the other ~~share~~ claimants (his cousins) for their as regards the remaining portion, they abandoned their offer. Venkatarama Setti however again pressed his request whereupon the peti. sent served a registered notice upon him forbidding him from entering the lane. The peti. then learnt that Ven. Babaram Setti had applied to the Chairman of the Municipal Council M.R.R. Pushp for the lane, the Chairman granted a counter. bill to the Councillors to be paid the costs of it the land in order to file it not be the Salem him without also pray of his ~~petition~~ consent the Secy. he might not be to clear the lane and

give certain person

The Chairman hereupon sent a notice to the peti. to the effect that no action would be taken in the matter unless an application for the grant of the land was received. A few days after this he sent a notice to the peti. stating that an application had been received and asking if the peti. had any objections to the grant of the land for a public purpose. The peti. wrote that he had no objection to the lane being used by public but that it should not be granted.
