MUNICIPAL COUNCILLORS' OFFICE,

LOCAL & MUNICIPAL DEPT.

CURRENT NO. 399 M

To

The Secretary to Government
Local and Municipal Department
Fort Saint George.

SIR,

I have the honour to state that on the 31st March 1898 the number of private houses served by Municipal toties was 303 with a monthly income of Rs 46-8-0. There were then four toties on Rs 6 under the private scavenging establishment. The number of houses served increased to 540 on 1st August with an income of Rs 104-12-0. The Council therefore thought it necessary to increase the number of toties by four on a pay of Rs 6 each and also to employ a bill collector on Rs 7 to enable the Council to collect the private scavenging fees in advance considering the

the inadequate staff of bill Collectors on the Municipal Establishment, and a Maistry on Rs 7 to supervise the work of the toties and to render the service more popular. The number of houses rose to 765 on 1st October 1898 with an income of Rs 130. To carry out this extra work satisfactorily, the Municipal Council has employed 8 additional toties from 1st October on Rs 6 each. The present staff under the 'private scavenging Establishment' therefore consists of 16 toties on Rs 6 each, 1 bill collector on Rs 7 and a maistry on Rs 7. The total monthly cost of the Establishment is therefore Rs 110, with an income of Rs 130 and, making an allowance of about Rs 5 for contingencies, there will be a clear saving of at least 15 Rs a month to the Municipality. I have therefore the honour to request you will be pleased to obtain the sanction of Government at an early date for the employment of the additional staff

There are only 3 of them

staff, which is very necessary to maintain and increase the popularity of the service. The necessary proposition statement and the extracts of Proceedings of the Council are herewith submitted.

I have the honour to be
