Kurnool DISTRICT COLLECTOR'S OFFICE,

No. Dated 9 — 3 — 1898

FROM Mahamed Razakkan ESQ.,
acting COLLECTOR OF THE Kurnool
District,

LOCAL & MUNICIPAL DEPT.
CURRENT No. 2470

TO

THE SECRETARY TO GOVERNMENT,
Local & Municipal DEPARTMENT,
Madras.

in G.O. 1734 9.3.98.

SIR,

Adverting to your telegram dated 8 instant, I have the honour to request that the Government will be pleased to instruct me at what stage of the operations 25 men of the Madras Infantry may be applied for

2. The District Medical & Sanitary officer suggested that "the Military Cordon recommended in para 11 should be at once applied for to patrol the whole frontier." I however considered that 25 men would suffice to begin with and invited the opinion of the Sanitary Commissioner on the point. Dr King said that it was not contemplated that Sepoys should be employed for guarding the frontier but that they might be retained with the Ambulance Staff (the immediate organization of which was, in his

his opinion, necessary) and be trained in disinfection and other duties so that at a moments notice they might be available on the appearance of plague to proceed to any Village to accompany the Ambulance Staff and perform duties in connection with plague.

3. Under these circumstances I in para 10 of my C. No: 623 dated 6/8/98 requested, with reference to Regulation 11 of Part I relating to preliminary measures) that 100 men might be placed at my disposal and stated that 25 of these would be wired for as soon as the Ambulance staff was got ready and that the remaining men might remain warned for duty at their Head Quarters.

4. I beg to add that I never intended to apply for all or any of the Depots without the previous sanction of Government.

I have the honorable
Sir
Your most obedient Servant
