The Divisional Officer.

Sir,

Vellore.

With reference to G.O. No 20312 dated 22.10.98, I have the honor to submit the statement in the form prescribed therein and explain such of the figures that require explanation.

1. In Col 4 of the statement No 1010 is shown in round figure the anticipated closing balance of 98.99, as revised with reference to the actual opening balance of the year.

2. Out of the amount shown in Col 9 and allotted for both new works and repairs, Rs 1530 must be deemed to have

been spent as the works have already been
given on Contract.

Rs 400 provided for in the
Budget for dust bins and latrines and
Rs 30 for repairs to buildings, though not
yet spent, the Council think that the
amount should necessarily be laid out
on them, as they affect sanitation.

3. Rs 510 shown in col 10 is the amount
provided in the Budget under para I for the
underelemented works, which the Council
think could be postponed, to utilize these
allotments for expenditure on Plague
preventive measures.

1) Daily market	Rs 340.0.0
2) Cutting side Channels	70.0.0
3) Weekly market sheds	50.0.0
4) Municipal office } repairs	50.0.0
510	

With the allotments thus made
available and the balance on hand
shown in col 3, the necessary expenditure
for Plague (payments of establishment
now maintained, Cost of medicines supplied,
and other incidental charges connected with
the construction of segregation sheds which
are in progress) could be met for the

remaining portion of the current
official year.

4. The Resolution of the Council is
herein enclosed.

I have the honor to be

Sir

Yours most obedient servant

Chairman
