of Land Revenue

I have the honour to reply to reference on Govt. Register No. 1563 of 97 of 13th Augt 1897, regarding the proposal of the President, Dr. B., Tinnevely, to allow the revenue from the old avenues to continue to be credited to local funds notwithstanding the transfer of the land to the Revenue Deptt.

2. The President, Dr. B., Tinnevely, estimates that a sum of nearly Rs. 2000 will be lost to the Dr. B., if the receipts from the old avenues on the cart tracks now transferred to the Revenue Deptt. be taken as receipts of the latter Deptt. The loss under this item to the Distt. Board will to some extent reduce the outlay on roads.

3. The old avenues on cart tracks

now

now transferred to the Revenue Deptt. were apparently planted either by Govt. or Local Bds. or by private individuals for the good of the general public. It seems equitable that the receipts from such avenues should go to the Local Bds. to be used for local public benefits.

4. Moreover from go. no. 1872 L. 72-10-95, it appears that the transfer of the old cart tracks to the Revenue Deptt. was made to arrange for effectively repressing encroachments on them, which is not practicable under the provisions of the Local Bds Act V of 1884, as it exists at present. The draft bill to amend Act V of 1884 is said to contain provisions which will render the repression of encroachments a matter of but little difficulty. When the amendment bill becomes law, it is likely that the cart tracks now recently transferred to the Revenue Deptt. will be retransferred to the Local Boards. Pending the legislation which it is hoped will be completed at a

a not very distant date, I recommend that the receipts from the avenues on the cart tracks transferred to the Revenue Deptt. may continue to be credited to the Local Boards as heretofore.

I have &c.

Proceedings of the Board of Revenue (Land Revenue).

No. 4716 Misc., dated 10-12-97.

Read Government Order, Revenue Department, dated 30th. July 1897, No. 3990 Misc., and the following Reference thereon dated 13-8-97. Forwarded to the Collector of Tinnevely for very early report.

Read also letter from the Acting Collector of Tinnevely, dated 24th. November 1897, Dis. No. 2325/Gl. of 97.

Resolution:-

Submitted to Government with reference to its order first read above.

2. In view of the financial difficulties referred to, the Collector recommends that the revenue derived from the trees in the old avenues transferred to the Revenue Department, may continue to be credited to Local Funds, as a temporary measure pending the amendment of Act V of 1884 for which a Bill is now under consideration. The Board supports this recommendation.
