FOR ORDERS:

× Q

The appointment of a Secretary to the Municipal Council of Masulipatam on a salary of Rs.150 rising to Rs.200 by annual increments of Rs.10 having been sanctioned in G.O. No.673 M., dated 30th March 1898, the Chairman submits with the first letter@ read above a copy of the resolution× of the Council, dated 6th August 1898, nominating for the place K.Subbarayulu Nayudu, Sub Registrar of Tallapalli in the Kistna District. The Council's nominee is a Matriculate, has put in a total service of 14 years under Government, and is in receipt of a salary of Rs.35+Rs.50, commission. The Collector states (Vide C. No.2915 M.,) that, as far as he can ascertain, Subbarayulu Nayudu will make an efficient Secretary and that, although he (Subbarayulu Nayudu) was not the best of the candidates for the appointment, this fact need not stand in the way of his confirmation by Government.

C No. 2964 M + C No 3410 M

2. The third and sixth currents read above are petitions from the Secretaries of the Kistna District Association protesting against the nomination of Subbarayulu Nayudu on the grounds:

(1) that he is unfit for the post, as he has not got experience in municipal matters or sanitary, engineering, local or administrative knowledge,

(2) that among the applicants to the post, there were many gentlemen of high attainments and good experience, whose qualifications were not properly considered by the Council, and

(3) that nine out of the twenty seats on the Council being vacant, only ten councillors were present at the election of Subbarayulu Nayudu of whom four voted against him.

The petitioners therefore request that the Government may veto the nomination and direct the Council to reconsider the matter after the nine vacant seats on the Council have been filled up.

3. The fourth and fifth currents are counter-petitions from the residents of Masulipatam stating that the Council's selection is a happy one, as Subbarayulu Nayudu is reputed to be an honest and straightforward official and being a stranger to the place is quite unconnected with the sectarian and religious differences and party feelings which rage in Masulipatam.

CN° 3042M & CN° 3110M.

4. The Council's nominee has had no experience of municipal matters which is essential for the efficient discharge of the Secretary's duties and, however well he might have been doing as a Sub-Registrar, it is very doubtful whether he will be able to manage efficiently the affairs of

---

Moreover he is admittedly not the best man for the place, and for the liberal salary offered the services of a much more competent person can certainly be secured. It is therefore submitted that the nomination of Subbarayulu Nayudu may be disapproved and the Municipal Council asked to select a more suitable candidate.

Sir,

I have been given to understand that an appointment to a new office — Secretary to the Bunder Municipality — is about to be made & that applications for the post are being sent to you. One applicant Mr. K. Subbarayudu Naidu, Sub-Registrar of Challapilli; now resident, and carrying on his work in Masulipatam, has asked me to recommend him for the Office. I trust my doing so is permissible. His application was forwarded to you yesterday. This letter should have accompanied it. Will you kindly now attach this to the application.

Mr. K. Subbarayudu Naidu, I have known for some time & I should say from what I have seen of him & know of him that he is in every respect a worthy man for the appointment. Educationally qualified to discharge the work would fill the office with credit & give satisfaction to those in authority.

Mr. K. S. has passed the Matriculation Examination — Translation Lower — Precis Higher — Revenue Lower & Accounts Telugu, Vernacular ~~&~~ optional language. He also knows Hindustani & Tamil.

He is practically a stranger to this District having come here only 2 years ago. This, no doubt would stand in his favour. He is also a non-Brahmin.

I respectfully ask you to view his application in a favourable light. I should be glad to hear that the appointment has been given him.

I have great pleasure in recommending him.

SIR,

I have the honor to forward letter dated 9th August 1898, no 556 from the Chairman of the Masulipatam Municipal Council, which was returned to me with Mr Edgington's endorsement dated 3rd September 1898 No 998.

The Municipal Council has elected as Secretary M.R.Ry K. Subbarayudu Naidu, Sub Registrar of Challapalle. As far as I can ascertain, he would make an efficient Secretary; at the same time I do not consider that he was the best of the candidates for the at'

The fact, however, that there were applicants who would do better need not stand against his confirmation by the Government.

2 Two of the leading townsmen of Masulipatam have asked me to represent to the Government that there are at present only ~~10~~ 11 (Coo 3026/w) 7.9.8 members on the Council, as against the full sanctioned strength of 20; and to suggest that the present election should be cancelled and a fresh election held when the Council is again at full strength, on the ground that the present nominee may not be acceptable to the Council as it may then be constituted. On the other hand, it is not certain that the full Council would select a better man than the present nominee, or that the candidate elected by the full Council, let us say, early [illegible] year will be acceptable to the Council as constituted after the following election, three years later. CHIEF SECRETARY
5- OCT. 1898
GOVERNMENT OF MADRAS

To

His Excellency Sir Arthur Elibank
Havelock G. C. M. G. G. C. I. E.
Governor in Council, of
Fort St. George.
MADRAS.

The humble memorial of Merchants, Hindus and Mahamadan Communities and other residents of Masulipatam.

MOST RESPECTFULLY SHOWETH:—

1. That the Local Municipal Council selected M. R. Ry., K. Subbarayulu Naidu Garu, Sub-Registrar of Tsallapalli as its Secretary.

2. That his selection has given us immense satisfaction in that he is reputed to be an honest and straight forward Official and above all things he is a stranger to the place and is quite unconnected with Sectarian and Religious differences and party feelings which Masulipatam is torn with.

3. That the feelings between the Brahmans on the one hand and Vysias on the other and again between the Brahmans and Goldsmiths or Viswabramhas, are extremely strained and litigation on the question of these differences has gone so far as the Madras High Court.

4. That the Brahman priesthood is denied by many, and ceremonial and ritual functions which were hitherto under the command of Brahmans has been in many quarters assumed by Vysias which has further tended to embitter the feelings.

5. That under such a state of circumstances, the Municipal Council has happily selected its present nominee who is a stranger to the place and caste prejudices.

6. That the memorialists understand that a handful of discontented men mostly comprising of Vakils having failed to secure the appointment to one of their own men, are agitating against the Council's nomination and have asked some of us to sign a petition to your Excellency's Government to veto the nomination. Having met with a firm opposition to secure representative signatures to their so called memorial, they have submitted a petition signed by a solitary individual under a self assumed title of secretary of a self assumed association (an association which has not been registered under any known law of the land).

7. **In proof of the utter non-representative character of the meeting held to send in a petition against the Council's nomination, the memorialists beg to bring to the notice of your Excellency's Government, that the number of agitators who so assembled was *but six*,**

8. That it is our humble prayer that your Excellency's Government should kindly approve of the nomination and that this memorial may be taken as our emphatic protest against unseemly behaviour of the handful of men who, as the Government perhaps is not unware, are wonted to agitate against anything and everything proposed by the public bodies.

To

HIS EXCELLENCY
SIR ARTHUR ELIBANK
HAVELOCK G. C. M. G.,
G. C. I. E.,
GOVERNOR OF
FORT SAINT GEORGE
IN COUNCIL.

The most humble memorial of the Kistna District Association, Masulipatam.

May it please Your Excellency,

1. The Municipal Council of Masulipatam submitted a few days ago their nomination for the Secretaryship of the Municipality for Your Excellency's approval.

2. The District Association has as one of its duties to take care of the interests of the tax payers of the town and was therefore obliged to protest against the nomination recently made by sending a deputation to wait on the Collector and by requesting him to recommend to Your Excellency to veto the present nomination.

3. The District Association is unanimously of opinion that the present nominee does not possess the qualifications necessary for a person who is to undertake a great portion of the responsibilities now imposed upon the Chairman. The post is a very important one and it must be held by a person having good Municipal experience So far as the District Association is aware the gentleman now nominated has no experience in matters Municipal. He has neither sanitary, engineering, local, nor administrative knowledge; and is therefore unfit for the post.

4. The Association begs to submit that among the applicants to the post there are many gentlemen of high attainments and good experience and their qualifications were not properly considered by the Council.

5. This Municipality suffers under peculiar difficulties as to sanitation and drainage. Unless the authority of the most important post is placed in competent hands, the condition of the Municipality is sure to deteriorate. Considering all these circumstances the Association represented its views to the District Collector, and requested him to recommend to Your Excellency to veto the present nomination and to order the Council to consider the matter after the 9 seats now being vacant are filled up by temporary nomination as suggested to Your Excellency by the District Collector. What that officer has done the Association is not aware but it fears that its representations may not be communicated to Your Excellency.

6. The Association humbly begs to state that out of the 20 seats forming the Council 9 seats are now vacant and on the day of nomination only 10 Councillors were present. It appears 4 of the Councillors present voted against the present nominee.

Under these circumstances the District Associaton most humbly prays Your Excellency to be pleased to veto the present nomination made by the Municipal Council and to order that the matter may be considered after the 9 vacant seats are filled up.

We most humbly beg to remain,
Your Excellency's most humble servants,
