Madras.

Sir,

There is a private chatram in Ittamoli village, Nanguneri Taluk, situated on the old road from Trichendur (where there is an important Hindu temple in this District) to Travancore and frequented by travellers. The chatram was built by the ancestors of Virabagu Pillai and Sadasivam Pillai, the present huldars. It has no endowment attached to it. The building has not been repaired for several years past and is reported to be in a dangerous condition.

2. One of the huldars Virabagu Pillay signified his consent to the assumption of the management of the chatram by the Taluk Board of Shermadevi but the other, Sadasivam Pillai who was unwilling to do so, promised on 9-10-96 to repair the building completely before the end of April 1897 and in the interval to put it in a safe condition, failing which he said he had no objection to the chatram being taken up by the Taluk Board under its management. He did not keep to his promise and notices were issued to him to repair the building or to give his consent to the transfer of the institution to the Taluk Board, but only two were served on him personally on 3-5-97, when he received a notice, he expressed to the village munsiff his willingness to allow the Taluk Board to take up the chatram under its management. This was, however, verbal.

3. A rest house is much needed in that locality for the public and the subject of transfer of the building to the Taluk Board was placed before the Taluk Board Shermadevi, which in its Proceedings dated 6th July 1896 (copy enclosed) has expressed its willingness to take up the building under

its management and to repair and maintain its from the general funds.

4. Under the above circumstances, I have the honour to request that the Board will be pleased to move the Government to resume the trust and to reassign it to the Taluk Board, Shermadevi, under section 31 (2) of the Local Board's Act V of 1934.

I have &c.,

Acting Collector.
