A Carriage allowance of Rs 25 is being allowed to Secretary to the Municipal Council Tanjore, in consideration of the multifarious out door duties he has to attend to. Trichinopoly is, taking it all in all perhaps the largest Municipality in the Profussit very thickly populated and spread over a wide area of $1\frac{1}{2}$ miles North to South and 3 miles East to West. The out door duties which the undersigned has to do in this large Municipality, necessarily giving rise to numerous disputes, requiring local inspection and enquiry, are in many ways far more onerous than what the Tanjore Secretary has to do. He begs therefore to request that the Municipal Council will be pleased to allow him a Carriage allowance, which they deem proper with retrospective effect from the 14th May/98 (the date of his joining the appointment)

The expenditure may be met from the allotment of Rs 720 provided in the Current Year's Budget under Grant I Inspections. Rs 390 have been spent till now and there is still a saving of Rs 330, which it will be observed will be more than sufficient to meet the

Charges till the end of the official year even at the low rate, of Rs 30 per mensem. It has only to be added that the fact of the provision of Rs 720 per annum, under Inspection having been allowed to remain undisturbed even after the issue of G.O. 1219 In (Misc) of the 8th July 98, which was about 2 months subsequent to the date on which the undersigned was actually appointed and assumed charge of his duties, would seem to presuppose that the Govt. is not unwilling to allow him carriage allowances up to Rs 60 per mensem according as it might seem desirable to the Council. The fact that the provision referred to was not struck out of the budget was also pointed to Govt. in para 2 of this office letter No. 257 dated the 21st April/98.
