Disposal No. 250 of 58

Submitted to Government.

The resolution as it stands is
rather vague, the distinction
between a big street and a
small one not being by any
means clear. The rates too are
rather low and I would suggest
that the Council be called
upon to reconsider the matter—
Encroachments being classified
on the lines adopted in the case
of the Cojeveram Municipality
and the rates being uniform
throughout the Town.
