~~Plague~~
No 2276

Municipal Office
Cannanore dated 15 November 1898

From

Mr. P. J. Kunjambal

Chairman

Municipal Council

Cannanore

To

The Secretary to Government
Local and Municipal Deptt

Thru.

The Collector of Malabar

Sir,
With reference to G.O. No. 2031-L dated
22nd October 1898, I have the honour to submit
the statement therein called for. The works,
against which the remark "may be postponed"
is entered, may in my opinion be put off
for next year. The remark "balance available"
has been entered to show that no further
expenditure is intended to be incurred
on those works, and the savings may
therefore be utilised for other purposes.
I have, as far as practicable, and
necessary, shown the minimum amount
absolutely required for repairs within the
year.

2 I beg to state, that under "1 New
works, a- Communications" and "2 Repairs,

3597/m/98

"Communications" the allotments have been exceeded by Rs 97-3-1 and Rs 59-0-10 respectively. Explanation for the increase in the former is given in the remarks column, while the increase in the latter item was due to the urgent necessity for repairing some roads not provided for in the budget.

3. It will be observed that from a total Budget allotment of Rs 5360 for new works and repairs, the amount of expenditure and liabilities incurred comes to Rs 3009-10-4 leaving a balance of Rs 2350-5-8. Out of this last, a sum of Rs 500 has to be set apart for the gymnastic hall, now under construction on contract, in addition to the Budget allotment of Rs 500. There was a provision of Rs 500 in the last year's Budget, the provision being then made with the expectation of commencing the work before the end of March 1898, in which case that allotment would have been utilised in 1897/98, and Rs 500 would have sufficed for the current year. But owing to delay in getting the plan

and estimate approved. The work could not be commenced before the close of 1897/98. A sum of Rs 352-6-6 is required for carrying out repairs to the latrines and other works as shown in the remarks column. There is thus a balance of Rs 997-15-2 or Rs 1000 in round figures which may be utilised for other repair purposes.

I have the honour to be,
Sir,
your most obedient servant

George Anand
Chairman,
Municipal Council, Cannanore.
