Owing to the incompleteness of the work of the construction of the Municipal office Building at the close of last year, the allotment sanctioned for the work in 1897-98 was not therefore fully utilized in that year, Vide Para 37(a) of the administration report of this Municipality for 1897-98 reviewed in G. O. no. 1468m. dated 17th August 98. The building being completed in the current year, the balance due to the contractor on the work will be paid in the current year. Hence the excess expenditure over the sanctioned grant for the current year -
