Submitting for sanction application for additional allotment of funds required for plague preventive measures.

Note.

The estimate of plague expenditure in the Tuticorin Municipality is Rs 1987; but as the expenditure already incurred by the Municipal Council amounts to Rs. 2680 it is thought better to increase the provision to Rs 2500 + 1000 = Rs 3500.

The Secretary to Government
Local & Municipal Department
Madras.

Sir,
In acknowledging receipt of G.O.
No. 2031 & dated 22nd October last,
I have the honour to inform you that
the Council has, in its meeting held
on the 18th instant, transferred a sum
of Rs 2000 (Rs 1400 from New works
Communication and Rs 600 from new
works buildings) to be supplemented
to the present allotment of Rs 500
provided in the budget for
plague expenditure. In his letter
No. 1685 dated 22nd October last,
the Collector has recommended
an additional allotment of Rs 1800;
but the Council has raised the

1/27/96/m/98

The provision to Rs 2000. —

The new Works Communication
is not to be taken in hand
at once as some of the lands
over which the Victoria Street
extension road has to run are
private land which should be
acquired under the Land Acquisition
Act, and to do this will take about
3 or 4 months. A sum of Rs 500
is therefore reserved for the
purpose an account of Approximate
Amount of Compensation for lands
to be acquired.

A sum of Rs 600 provided for
the construction of a school house
for Pancharan is also transferred
to Plague expenditure as the Council
has postponed the work for
another year in consideration of the
large outlay to be spent on
plague preventive measures.

I therefore request you
will be so good as to obtain
the sanction of Government
for the required transfer of allotment.

A Copy of the resolution
of the Council on the subject
is enclosed.

I have the honour to be

Sir,

Yours Svc. Obedt. Servant.
