Most Honoured Sir,

I beg respectfully to inform you that my petition against S. Subramonia Iyer Nuisance Inspector of the Kumbakonam Municipality who obtained admission into the Medical College through fraudulent representation has received attention. The Chairman, I hear, has as a matter of necessity, again supported his protege. I trust Government will not be misled into ~~the~~ believing the representation.

D
G.O. 1866 m
8/11/98

The late Manager of this Municipal office resigned in March last in disgust. S. Srinivasa Venkatachari who was appointed to the post immediately has just been recommended to Government for approval. The Chairman's nominee is a bankrupt. He has no property or antecedents. He is a debtor to the Chairman who, finding no way to recover his debt, has given the appointment to him. This matter requires enquiry and it is hoped that your honour will make full enquiries before sanctioning the same.

In these days of enlightenment, brute force in the shape of an illiterate majority backed up by an apathetic official aristocracy any illegal act can be done with impunity.

How long has the requisition to remodel the Conservancy Department of this Municipality and to appoint a Secretary though the same was issued by a paternal Government, been hanging fire? Is not this enough to establish the truth of the maxim in the previous para?

The Government does not care to know whether persons who hold responsible posts of an honorary nature are solvent or not. The present Chairman is deeply indebted to Nattukottai Chetties, one of whom recently sued the Chairman for a sum of seven thousand rupees (in the Kumbakonam Sub-Court.)

Another Nattukottai Chetty who was to have sued has been silenced by the Chairman's ignominiously compromising his dignity and consenting to pay his Professional Fee from his own pocket !!!

The chairman's debts are greater than the property owned by him, the main stock having saparated him long time ago for his lewdnes and consequently extravagant method of life. The name of the family to which the chairman belongs is mentioned to cover his

bankruptcy and the Indian Jews too are being minted. I request your Honour will set on foot a private enquiry.

Impecuniousmen in honorary offices are an eyesore and they cannot be expected to have very great regard for the laws relating to "meum et tuum".

The care for Municipal finance as exhibited by the Chairman has resulted in the Municipal Treasury balance being Rs 300, even returnable deposits having been laid hands on by the energetic Chairman!!

I beg to remain

Yours most obediently

Dis No. 2112/Rev of 1898

From S. P. Rice Esquire
Sub Collector of Tanjore

To The Collector of Tanjore

Sir,

With reference to your R.C. 472/Ml of 1898 dated 6th September 1898 (herewith returned), I have the honour to report that Srinivasa Venkatachariar has passed the First in Arts Examination. It seems he was first a School master and he then took to journalism, but the paper was not successful and he sold it for the absurd sum of Rs 500. Rumour says he is in some way connected with the Chairman. He has not got much property, and

and I hear he is indebted to the extent of Rs 1000. A man who has failed as a school master and as a journalist seems hardly likely to make a good manager of a municipal office, but I have not received any complaints against him, and as the Council intends to appoint a Secretary in March, I should think it is not worth while taking any action now.. The petitioner is very fond of writing. He has even taken the trouble to send me a petition for the purpose of telling me he approves of my administration and for no other purpose!

2. I do not know if it will be necessary to make further enquiry into the matter of the manager's appointment; nor is it clear, if Government requires a report on the allegations made against the Chairman, for, I observe that that part of the petition has been ignored in the docket.

I have etc

LOCAL & MUNICIPAL DEPT.
CURRENT No. 3701/M

Sir,

The petition forwarded for report with your endorsement No. 971 dated 30th August 1898 deals with several matters, (* herewith returned) but I presume it is as regards the appointment of manager that information is required. The report of the Sub Collector, copy of which is enclosed, deals with this point. To supplement his enquiry, I wrote to the Chairman demiofficially, asking him when the Manager took charge, and whether there were or had been at any

time

time any money transactions between the manager and himself. He replies (copy enclosed) that the Manager took up the duties on 19th March last, and that he had cleared off last year a small sum, he (Chairman) had lent him.

I agree with the Sub Collector that the selection is not a desirable one, but that no change need now be recommended.

I have the honour to be,
Sir,
