Enclosures -
One Only.

I have the honour to submit herewith copy of the resolution dated the 27th ultimo, passed by the Municipal Council under subsection (1) of Section 8 of the Madras District Municipalities Act No. III of 1897, and to request that, under section 26 of the Act, Government may be pleased to accord its approval as regards the license fee of Rs. 25 per annum, proposed to be charged for the licenses to be applied for in respect of any of the purposes specified in clause (b) of Section 188 of the Act.

for hackney coaches, etc., have been provided, under section 190 of the Act, yet ghaut carts, and the local hackney coaches, etc., with animals, continue to be kept in large numbers in private compounds in different parts of the town without employing proper means of conservancy, and that the doing of the needful can be insisted upon by making the owners of such stands take out licenses under Section 188. In consequence of these private cartstands, etc., the income from the Municipal cartstand has also fallen from Rs 371 in 1896-97 to Rs 255 in 1897-98 and to only Rs 213 for the current year; and it is anticipated that a license fee of Rs 25 might not only reduce the present large number of private cart and coachstands but also make up the said loss to Municipal revenues.

Enclosure 2.

As desired in your Reference dated the 19th instant, on L. No. 1453, Enq. I have the honor to forward herewith copies of the Municipal Inspector's list of private cartstands at Hampantkatta and my memorandum thereon.

The Inspector's list gives only the particulars of the coaches kept in July last, in Mrs. Fernandes' compound at Hampantkatta opposite the Warlock Hospital compound but as soon as the rainy season fully closes and the coffee season commences, a number of cartstands where ghaut carts coming, for example, to Messrs. Schubert & Co's agency, Messrs. Carmo Fernandes & Brother, Mr. Basil Abbe Beary, at the Bunder, to Messrs. Saldanha & Co.

Memorandum

In circulating herewith the accompanying nuisance lists of private livery stables and cartstands, furnished by the Municipal Sanitary Inspector, I have the honor to suggest to the Municipal Council the desirability, may the absolute necessity, of taking action under clause (c) of subsection (1) of Section 188 of the Municipal Act, by issuing a notification calling upon the keepers of such coach or cartstands in the town to take out a license and also fixing a license fee for the purpose, say, Rs 25 per annum or so.

2. In the absence of such a provision it has become practically impossible for the department to exercise any control over these stands in respect of their conservancy & to say nothing of the loss to Municipal funds from the public cartstand in consequence of the numerous private cartstands throughout the town.

2. The highest license fee at present
levied in Mangalore under Section 188 of
the District Municipalities Act, is Rs 15.
The fee it is now proposed to levy
on cart-stands i.e., Rs 25, is justified
in the opinion of the Council by
the pleas that such ^{private} cartstands
yield large profits to their owners,
compete with the Municipal cartstands
and require special attention from
a sanitary point of view. Probably
it was the first two of the above
reasons that most influenced the
Council. It is doubtful if the
Municipality intend to utilize
any portion of the fees collected
in cleansing the cartstands. Probably
