Disposal No. 76 of 98
D. B.

From

J. Andrew ESQUIRE,
PRESIDENT DISTRICT BOARD,
TANJORE.

To

THE HONORABLE MR.

The CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

Sir,

It has been customary to hold a Cattle Fair annually at Kumbakonam at the time of the maham festival which falls this year on 7th March next. The fair used to be held on some wet lands north of the Cauvery partly inside and partly outside municipal limits and no very special arrangements used to be made. In 1897, the maham festival year,

a departure was made in the interests of sanitation; the fair was removed to Nirathanallur about 5 miles from Kumbakonam. This was done as part of the arrangements made by the Collector and District Magistrate in connection with the Morakham festival and the fair was not worked by the Taluk Board under the Local Fund Act. (Vide G.O. 2270 M, dated 18th October 1897). The cost amounted to Rs 616-8-6 and to recoup this a small fee of annas eight a head was charged and the result, after paying all expenses, was a net profit of Rs 1812-7-6.

The Taluk Board Kumbakonam has resolved in its meeting held

held on 15th January 1898 (Copy enclosed) to hold the cattle fair during the ensuing Morakham festival at the same place, Nirathanallur and to make similar arrangements for holding the fair as in last year. It has resolved to levy a fee of annas eight per head of cattle and to spend a sum of Rs 750 as detailed in the enclosed statement. The receipts are estimated at Rs 2429 as in last year. The District Board has in its resolution No 16 dated 29th January 1898 (Copy enclosed) sanctioned the proposals of the Taluk Board. I have therefore the honor to request that under No 65 of the Local Fund rules published in G.O. No 721 L.F. Financial, dated

26th June 1886, Government
will be pleased to accord
the necessary sanction for
the establishment of the fair
and for levy of fees therein
2. I may add that the
arrangements made last
year proved to be a decided
success. The sub collector
has reported that the site
selected last year is the best
suited for the purpose and
from what I have seen of
the country about Kumbako-
nam, I agree with him.
The President has been requested
to make the necessary
arrangements in anticipation
of the sanction of the District
Board and Government.
I have also in my revenue
Capacity

Capacity addressed the
Board of Revenue in the
Settlement Department to
debate the same stock
Inspector sent down last
year as I found him
thoroughly satisfactory
in every way and to introduce
the Cable Disease Preventive
Act at the cable fair. The
Board has in its Proceedings
No. 480 miscellaneous, Revenue
Settlement Land records and
Agriculture, dated 24th
January 1898, approved of
my proposals and submitted
the same to Government. As
the time is approaching, I
beg to request the favour of
very early orders which I
request may be communicated
by

by wire, so that the President
Fulke Board may complete
his arrangements.

3. It is this year especially
desirable that the Fair should
be held at the place proposed
and not at Kumbakonam
as cholera has been and
still is bad in Kumbakonam.

I have the honor to be
Sir

Your most obedient Servant
