No. 7599 dt. 30th November 1892, to be beyond the power of the Municipal Council and even if within their powers the grant should not be curtailed after the work is put in hand.

Copy of a letter No. 2431 dated 27th June 1898 from the Executive Engineer Belgaum Division, M. W., to the Superintending Engineer, Madras Ed. M. W.

In continuation of my letter N^o 2228 dated 13th June 1898, I have the honour forward for orders a copy of a letter N^o 331 dated 23rd June 1898 from the Chairman Municipal Council Bellary stating that the Council have ordered a reduction of Rs 1000/- in the amount of contribution for Road Maintenance in Bellary Cantonment during the current year.

2. In this connection I beg to point out that the amount of the annual contribution was fixed at Rs 2000/- by the Government of Madras in Resolution N^o 7599 dated 30th November 1892.

3. Owing to the dryness of the soil and climate of Bellary the roads need constant attention and it is most undesirable that the repairs should be curtailed.

4. The annual cost of maintenance of roads in Bellary Cantonment is Rs 10,292. to which may be added Rs 800. the cost of maintenance of the roads in the town of Bellary which is Rs 11,092.

up almost entirely for the sake of the roads) making a total of Rs 11,092. of which only Rs 2000. is contributed by the Municipality.

5. I further beg to submit that any proposed reduction in expenditure should have been intimated to me before instead of after the completion of my estimates and contracts for the current year.

Copy of A. letter No. $\frac{331}{21.6.98}$ dated 23rd June 1898
From Chairman Municipal Council Bellary
To The Executive Engineer Belgaum Division Military Works

In returning herewith your bill No. 1366 dated 16th April last for Rupees 1000/- being the amount of first instalment of the Contribution for the half year ending 30th September 1898, for the maintenance of the Municipal roads in the Cantonment of Bellary and in continuation of my letter No. 272 dated 8th Instant, I have the honor to state that the Council have ordered a reduction of Rs 1000/- in the amount of Contribution for the Current Official year as owing to the expected balance at the end of the last Official year and the estimated receipts of the Current year under certain items having ~~considerably~~ ^{considerably} fallen, the estimated expenditure cannot be incurred in full.

2. I therefore request that you will be good enough to arrange for the repair of the roads during the Current year accordingly and to furnish a bill for Rupees 500/- the amount of the first instalment for payment.

Military works about the curtail-
-ment of the Contribution amount
for the maintenance of roads and

memorandum drawn up by the
Military showing the work done on the
roads by the Military works Department.
The original allotments for the Town
and the Cantonment Roads were
Rs 4000/- and Rs 2000/- respectively,
anticipating an income of Rs 12000/-
under Tolls, which having fallen to
Rs 9000/-, the allotments were proportion-
ately reduced by 25 per cent. and this
leaves Rs 1000/- as contribution to the
Cantonment Roads and Rs 2000/- for
the Town Roads. The Town Roads are
40 miles in length and the Cantonment
Roads are 9 miles. The allotment for
the roads has been reduced by
Rs 2000/- under G. O. No 420 m dated
21st February 1898 and this leaves Rs 2500/-
for all the 49 miles and this will give
in round figures Rs 500/- only for
the Cantonment Roads and the
council is willing to allow another
Rs 500/- i.e. Rs 1000/- in all for the
contribution to the Roads in the
Cantonment for this year.

Forwarded Sir,

To
Collector
Mkly

With reference to your indorse-
ments No 764 and 857 dated 5th
and 25th July last (herewith returned)
I have the honor to submit herewith
copy of the Resolution No 4 passed by
the Council at the meeting held on
the 22nd instant.

2. Anticipating an income of
Rs 12000/- from the Tolls the allotments
originally made for the Town and the
Cantonment Roads were Rs 4000/- and
Rs 2000/- respectively. The income

order tolls fell to Rs 9000/- and therefore
allotments were reducible by 25 percent
and thus Rs 4500 only were properly avail-
able for expenditure on the Roads.

3. According to G. O. No. 420 m-
dated 21st February 1898 Rs 2000/- of this
were diverted to Plague expenses leaving
Rs 2000/- only under this Head.

4. The Town-roads are 40 miles
in length and Cantonment Roads only
7 miles and the proper proportion for
the Cantonment Roads would be Rs 500/-
The Council is willing to make a Contribution
of Rs 1000/- (i.e. Rs 500/- more than the proper
share) for the Cantonment Roads.

5. The Council regret their inability
to contribute more in their present straight-
ened financial circumstances. In the
year 1896-97 they contributed Rs 500/- more
than the allotment (funds being avail-
able then).

I have the honor to be
Sir,
your most obedient servant
