Best plan is track Con^n. Concerned to report why their divergence in practice. a good employment of Police exists. I fancy in Thanjore no Salt peons are employed as in Ka^a Cuddapah & Bellary & Elsewhere pend out the rule as an order from Plague Comm^n.

(Govt. No 222 dy 19-10-98 Police)

The Plague Comm^n. Madras to very different manner in which Police are employed for Plague work in Cliffs Districts. No comms he knows Mayor of Cor^e would Cork in to matter & report Reasons for the employment of Police as did Thanjore Bangalore at present, with a view possibly to reducing the number. The employment of Police on plague duty should be restricted as much as possible.

NOTE FOR THE Secretary

The Government of Madras has recently ruled that the employment of Constabulary Police for plague duty should be restricted as far as practicable.

2. Bellary has the largest number of observation circles and of road inspection stations but has only 10 Constables on road frontier inspection duty as compared with

6 Head Cons & 95 Constables at Cuddapah
1 " & 7 " at Anantapur
0 " 8 " N. Arcot
0 " 12 " Salem

Some Explanation is required as with regard to the large staff at Kurnool.

3. The following itinerant inspecting staff is employed

1 H.C. to move on S. M. & S.C Ry between Dornakonda & Rajahmundry.

1 H.C. at Renigunta (Section of Ry is not given)

1 H.C. to move between Kudur and

and Bangalore
1 Head Constable at Villupuram (centre of railway unit (prior)
1 H.C. at Trichinopoly (do)
1 H.C. to move between Jalarpet and Calient.

6. Vital.

The P. Commr: has no suggestions to make as to the exact duties of these travelling Head Constables. This requires that their duties may be explained.

If an inspecting staff is required to check the work of Station masters & Station Passport clerks & Officers at railway stations, it is submitted that it should be under the direct orders of the Chief Commr.

4. A force of 7 constables is entered against Tiruvallam in N. Arcot Dt, but their duties are not specified. Probably they were employed for the plague camp there, but the camp has been closed for some time. The Coll N. Arcot is to be asked if these men are now necessary.

5. Each of the inspection stations at Hindupur, Pakala, Guntakal & Jalarpet has an Inspector

Coll-ars are requested to report if the full staff ans employed are necessary.

Inspectors of Police, The Camp at Harpet has no Inspector but has 2 Head Constables, one of whom is European, while Irungalakottai has apparently neither an Inspector nor even a Head Constable.

6. It is now sought for Judicial sanction addl Police but the necessity for such men for plague duty has to be determined in the Dept.
