Sir,

I have the honor to report that
in G.O. Plague 328 of 12.4.98 the special
mark to be punched on railway tickets
for travellers from an infected area
is a round hole $1/4$ inch in diameter
The distinctive mark appears to be
the one universally ordered as no other
description of it has been issued.
The Hospital Assistant Anakapalli
reports to day that S. M. R soldier's
tickets nos 41 + 42 from Bangalore
city to Anakapalli had no such
distinctive mark.
