Budget Estimates.

Informing the Accountant-General that the Government considers that a provision of 50 lakh for plague charges in 1898-99 is by no means excessive.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From F. C. HARRISON, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 2nd March 1898, No. 809.

I have the honour to state that the Government of India thinks that an addition of, say, Rs. 50,000 should be made under 24. Medical—Provincial for next year on account of plague charges likely to be incurred, and to request that you will be good enough to let me know as soon as possible before the 10th instant whether that provision is not too much, considering the expenditure in the current year which amounted to Rs. 16,000 only up to the close of January last. Taking Rs. 2,000 for each of the months of February and March against Rs. 1,600 spent in January, the revised estimate of the current year will amount, as provided in my estimates, to Rs. 20,000 only.

ORDER—No. 249, Financial, dated 9th March 1898.

The Government considers that the provision of 50 lakh for plague charges in 1898-99 is by no means excessive.
