With reference to the marginally noted extracts from

Ganjam & Vizagapatam X X X

X X The major portion of this balance of Rs.65820 with the unutilized portion, if any, of the sum of Rs.16,210 provided for new public works may be made available for famine expenditure in the affected tracts of this district X Ganjam Out of the sum of Rs.3800 provided for new works in the Vizagapatam Local Fund budget for 1897-98, Rs.980 are intended for completing the feeder road to the Pondur Railway Station X X X

The remaining sum of Rs.2820 may be made available for the relief of famine if not already expended.

Clause paragraph (3) (a) of G.O.No.2220 L, dated 16th November 1897, the Local and Municipal Department is requested to ascertain and to report at a very early date what portions of the grants of Rs.16,210 and Rs.2820 remain unutilized at present, as it is necessary to make a definite statement to the Government of India. The proceedings of the Local and Municipal Department quoted above do not show why action was not taken when famine had declared itself definitely, to stop expenditure on new works and especially on buildings in the districts of Ganjam and Vizagapatam. Information on this point is also requested.

2. It is understood that steps will be taken in the Local and Municipal Department to place the amounts referred to in paragraph (3) (d) and (e) of the proceedings under reference at the disposal of the Financial Department.

The Secretary to Government,
 Local and Municipal Dept.
 Madras.

Sir,

With reference to G.O.
 (L and M) No. 36 dated
 11th instant I have the honor
 to state that out of the
 total Budget allotment
 for New Works Rs 16,210,
 a sum of Rs. 15,714 was
 expended up to the close
 of November. A considerable
 amount of expenditure was
 incurred in December for
 which under the Progress
 Report is not yet to hand.
 Information as to expenditure
 up

up to the end of December
will be furnished as soon as
it is available.

2. When famine was
declared in this District,
the Budget statement of
New Works was examined
with a view to reducing
expenditure thereon. It was
not however found possible
to strike out any items as
they are all of urgent ne-
cessity.

The dispensary building
at Russelkunda is the most
important work and cannot
be further postponed. The
work is now in progress.
The other items relate chiefly
to construction of culverts
which are urgently required
to prevent further damage
to permanent roads.

The construction of the
District Medical and Sanitary
Office at Berhampore for
which a sum of Rs 1000
is provided in the Budget
is of urgent necessity
(Vide G.O. No. 2664 M. No. 2730-11-97)
and will it is hoped be
completed

Completed by April
next.

Have the honour to be,
Sir,

J. H. Tremere Esquire,
Secretary to Government,
Local & Municipal Department,
Madras.

Sir,

With reference to Government Memo-
randum No. 36 dated the 11th January, 1898,
I have the honor to report that Rs 3800
and not Rs 2820 are provided for new
Public Works in the Local Fund Budget
for the current year. Rs 800 were subsequently
added by Government under "New Works-
Communications" (Vide Government Order
No. 945 L. M. S. dated the 17th May, 1897). —

Including the allotments subsequently made
by the Local Boards, the total amount
available for expenditure is Rs 11306 — Vide
particulars given in the Memorandum
explaining the Revised Estimate for the
current year. Of this, Rs 4639.6-11 were
spent

spent up to the end of December, 1897.

2. No action was taken by the Boards when famine had declared itself definitely, to stop expenditure on New Works provided in the budget which are all petty items of an emergent nature, in as much as Famine was practically at an end before expenditure for the year commenced.

I have the honor to be
Sir,
your most obedient servant,
