TO

~~THE SECRETARY TO THE~~

Mr. Plague COMMISSIONER OF Madras.

Madras.

SIR,

With reference to the orders of

Government noted in the margin that inoculation should be made only in places where there are commissioned medical officers, I have the honor to state that I have had requests that Doctors Thomas and Beit should inoculate and recommend, therefore, that they may be authorized to perform the operations & be supplied with the necessary appliances & serum.

People in Salem and Tirupattur have asked me what arrangements

G.O. No 999 P
dated 3.9.98
G.O. No 1105 P
27.9.98

have been made for inoculation. The
Sub-Collector informs me the people
of Hosur are praying for inoculation.
The District Traffic Superintendent
wishes the Railway staff at Jalorpet
to be inoculated. At present only
the District Medical and Sanitary Officer
has government authority to inoculate
and I am unable to satisfy their
desires.

A special Officer who has had experience
in inoculation would, of course, be
desirable if any one is available.

I have the honor to be,
Sir,
Your most obedient servant.

Respectfully
